Mountain Home Grange Craft Show

December 7 from 9:00 a.m. to 3:00 p.m.
The building will be full of vendors so get here to shop early! We will be serving breakfast & soup for lunch. Proceeds will go to Mountain Home Grange Hall renovations.

Go north on Highway 95 from the Y Junction. About five miles out, start watching for the signs just past the substation.
Take a left at the next road.
Looking forward to seeing you there!

Bring the whole family to the Viola Community Center on Sunday, December 8th starting at 3:00 p.m. for the Game Bird Foundation's Annual Banquet and Live Auction. This year's banquet is shaping up to be an event for the record books and I don't want you to miss it! First, there's the entertainment. The doors open at 3:00 p.m. and our friends at Beargrass agreed to entertain us again this year with their toe-tappin', foot stompin' tunes right on through dinner. Next, there'll be some great food. Starting at 4:00 p.m., we'll be serving up my famous BBQ ribs and Texas Ridge smoked ham. Just bring a side dish or dessert and we'll be set! It's essential that you RSVP so I know you're coming, call me at (208) 883-3423 to reserve your seat right away. Hope to see you all there!

Please remember the deadline for submission is the 20th of the month. You risk not having your ads and articles published if you are late. If you want to be added to the reminder list, please send an email to potlatchcia@potlatch.com.

Fit and Fall Proof™

Fit and Fall Proof is still active and going strong! **We meet every Tuesday and Friday from 9:00 to 10:00 a.m. at the Palouse River Community Center in Princeton.**

Believe it or not, exercising with friends can be fun! Even if you are feeling a little down and discouraged, come and join us. There is always someone here to cheer you on and give you a pat on the back. Of course, it helps if you bring a good clean joke or a fun story.

This program was designed by the Idaho Department of Health to keep older citizens active and prevent falls. We work on improving strength, balance, and endurance through walking, stretching, and the use of bands, weights, balls, and more. If you need the assistance of a walker or a cane, bring it along. **The class is open to all ages and it is FREE!**

If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

Eagle Scout Project Completed

My name is Saul Boroff. I am a senior in high school and a member of Potlatch Boy Scout Troop 358. I have been working on receiving the rank of Eagle scout and just finished my Eagle Scout Project which is a shelter for the Potlatch City pool. I was encouraged to focus my project on the Potlatch City pool to find a way to provide shade for parties and gatherings because there was no shade available at the pool.

The project took over 150-man hours to complete and was funded by the Potlatch Parks and Recreation. There is now a 20 ft. by 30 ft. pole structure with a metal roof and a concrete floor. The shelter was finished on October 2 and will be ready for use when the pool opens. The City of Potlatch and people of the community have been nothing but supportive during my project.

Saul Boroff pictured with new shelter at the swimming pool!

Potlatch Food Pantry

The Potlatch Food Pantry is open December 12 and 20 from 10:00 a.m. to noon and from 6:00-8:00 p.m. The Idaho Food Bank truck comes December 20 to the Grace Community Church.

A special Thank You to all and the Scouts with Scouting for Food which brought 1620 pounds of food to us. We can be reached at PO Box 453 Potlatch, ID 83855. Call 208-875-8953 or City Hall in an emergency.

Virginia Cochrane Thank You

The Family would like to thank everyone who has shown us support in any way during this difficult time. Thank you for the flowers, cards, and condolences. It has meant so much in our time of sorrow. Thank you to the Princeton Church of the Nazarene for providing services for our family and friends.

Thank you again,
The Virginia Cochrane Family

Carpenter Family Thank You

The family of Robert and Leona Carpenter would like to thank the whole community for all of their prayers, cards and condolences for Robert.

Special thanks to the Princeton Nazarene Church and the St. Mary's Church for the wonderful luncheon provided after the funeral. All was truly appreciated.

Potlatch Community Band Holiday Concert

The Potlatch Community Band has been putting on a Holiday Concert every year for quite some time now. We hope you will join us on Saturday, December 14, at Faith Church in Onaway for this year's concert! It will start promptly at 2pm and last about an hour with lots of treats, snacks and social time following. The band itself will perform five pieces this year, with several smaller ensembles and/or solos spread throughout the concert.

The band is open to anyone who wants to play, regardless of age or talent! We typically range in age from kids to the over-70 crowd and usually have most age groups in between. Talent is not required, just a desire to do one's best. We typically rehearse for 4-5 Thursday evenings before our Holiday Concert, and again for a similar period before our Spring Concert. Laughter and good cheer are ALWAYS involved. If you play an instrument (or used to), consider joining us in the Spring! (We'll probably start in late April). And, hope to see you on the 14th!

Nagles Give Thanks

We would like to thank Potlatch Fire Department for all they did to help us during our time of need. Thank you to the Princeton Church of the Nazarene for the wonderful service and dinner.

Thank you to everyone who sent cards, letters, and food after Gary's passing. It was wonderful to see the outpouring of love the community has shown towards Gary and our family.

F.M.B.E.

The F.M.B.E. Club is off and ready for a new start for the 2019-20 4H year. At the November meeting, we elected new officers for the new year. Congratulations to the new President Kassi Schultz, Vice President Levi Lusby, Secretary Sam Barnes, Treasurer Jaxon Vowels, Reporter Duska Schultz, and Sergeant of Arms Reese Lusby. These are great officers to get us through the upcoming year. To start off the new 4-H year, we have already done highway cleanup, an Applebee's fundraiser to support the Latah County Leaders Counsel, and attended the 2018-19 Latah County 4H Awards Night.

In December, the F.M.B.E. Club will be helping the 4H Boosters at the Kid's Christmas Store on December 14. We will also be selling hot cocoa at the Lighted Christmas Parade on December 14. All proceeds go to purchase gifts for the Sharing Tree to support kids in our community. We hope to see you all at the parade!

Happy Holidays,
Duska Schultz

Thank you!

The family of Chauncey Pettibone would like to thank everyone for the cards, flowers, thoughts, prayers, support and love during our difficult time. It meant the world to all of us.

Sincerely,
The family of Chauncey Pettibone

Potlatch FFA News

Potlatch FFA has been pretty busy this fall! Here are some of the highlights:

Fair was a raging success! Isaac Krasselt earned Grand Champion and Heidi Calanchini earned Reserve Champion in Swine Showmanship. Isaac Krasselt went on to win Round Robin. Livestock judging went great and Alyssa Hamburg came in 2nd high individual and Randon Lusby came in 5th high individual.

"Mrs. Reid always pushes us to do our best and was determined for us to make it to the top five. We achieved this goal because our adviser had faith in us," Randon said.

At the end of September, Mrs. Reid took a group of students to the Lewis County Fair and most of the students that went were Novice in Livestock Judging, but over all did very good at the competition. Two teams competed at the University of Idaho Livestock Judging Invitational and placed 2nd High Team overall; Top Idaho Team.

The Intro to Plants and Plant Science classes competed at North Idaho District Soils Judging. We had two students compete at the North Idaho District Creed Speaking competition where Sam Barnes placed 5th overall and Wyatt Johnson placed 10th overall.

Aside from Career and Leadership Development Events, Mrs. Reid has also taken students to Leadership training opportunities including the BASIC (Building and Achieving Success in Idaho Chapter) trainings in Coeur d'Alene. Also, Mrs. Reid took a group of young men on an Ag Mechanics Career Success Tour in Lewiston to learn firsthand the expectations of industry and what opportunities of the industry are out there.

We look forward to building the chapter over the course of the year. Please follow us on Facebook @potlatchffa Thanks for all your support!

Little Logger Leaders—November 2019

Mrs. Pfaff's Third Grade: Brett Webber is a hard-working student who is a good friend to his classmates. Brett is always a willing helper in class and keeps a positive attitude when challenged. When Brett finishes his work, he volunteers to help others who may need help, not just giving them answers but explaining to them how things work. Keep up the great work, Brett!

Mrs. Weaver's Fifth Grade: Ryder Almazan is our Little Logger Leader for November. Ryder takes responsibility for his learning by asking questions to gain a better understanding of new concepts. Once he understands, he cheerfully and cooperatively helps other students learn the new concepts, too. His contributions to class are greatly appreciated!

Ms. Montgomery's Second Grade: Kacie Brockman is our November Little Logger Leader. Kacie is a leader by how she believes in herself. She demonstrates this by the confidence I see in her words, actions, and school work. Kacie is also very thoughtful, kind, and helpful to others.

Mr. Gossack's Sixth Grade: Our LLL this month is **Mason Heilman**. Mason challenges himself every day to become better and work harder. Mason has shared with me that he wants to earn straight A's from here until he graduates high school. With good grades, he is hoping to earn a college scholarship to continue his education. Mason, keep up the hard work and never stop setting goals for yourself!

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for November is **Elena Vowels**. Elena is a kindhearted student who shows compassion and empathy to those around her. She helps her classmates when they are stuck in math. She writes kind letters to boost morale. Elena is a leader because she focuses on her own work but also makes time for helping others. Thank you for your kindness, Elena!

Ms. Ballantyne's Third Grade: For November LLL I have picked **Dillyn Mitchell**. Dillyn is one of the sweetest and funniest kids. He is someone who is constantly striving to be better: better at school, better at sports, and better at being a positive influence in the classroom. Dillyn has really been pushing himself, setting high goals, and doing whatever he can to reach them. He is one of those kids that just make you smile and laugh. He is a huge asset to our classroom and I am proud of the motivation he shows every day.

Mrs. Wilson's Fourth Grade: Our Little Logger Leader this month is **Maddyn Birge**! As a new student to Potlatch Elementary this year, Maddyn has joined our class with enthusiasm and joy. She is a quiet leader in our classroom, demonstrating kindness and helpfulness to all, and continually keeps herself organized, is responsible for completing her work on time with her best efforts, and works to help others do the same. In addition, she is very likable and is so fun to be around! She is a great addition to our school. Keep up the great work, Maddyn!

Mrs. Gussenhoven's First Grade: Lucy Merten-Daily is our Little Logger Leader for the month of November. She is a very giving person and wants everyone she is acquainted with to be happy. Lucy is such a kind and caring person, that she packed her backpack full of toys to bring to school for others to play with at recess time. She has even created a coloring contest for her classmates to participate in. Lucy is a very creative student and her creativity is always centered around others and not herself. I have enjoyed watching her grow as a student and I love her tenacity towards learning. I am so proud of you, Lucy! Keep up the great work!

Mrs. McKinney's First Grade: Our November Little Logger Leader is **Alice Keefe**! Alice is a very kind and caring girl. She is always thinking of others. She is a hard worker and she is meticulous in her work. Alice always does her best! She is a fantastic reader and always has wonderful facts to share with the class. Alice is very empathetic and always quick to give a hug or a word of encouragement. Alice, I have enjoyed our time together and I look forward to seeing all of the wonderful things you do this year and in the years to come. Thank you for being you, Alice!

Mrs. Short's Kindergartens: Landon Musick-Brent is our **Busy Bee** Little Logger Leader for November. Landon has been a strong leader in our classroom by being consistently responsible, kind, and respectful. He comes to school every day ready to learn, work hard, and have fun. Landon takes his time and cares about his learning. He is also a great friend to his classmates. He makes sure to show everyone kindness and patience, and he loves to help others whenever he can. Thanks for being such a positive member of our classroom, Landon!

Ryker Reynolds is our **Eager Beaver** Little Logger Leader for November. Ryker has really brightened our classroom this year with his positive attitude, bright smile, and great sense of humor. Ryker has become a very good friend to many of his classmates. He shows a lot of empathy and caring for others, frequently taking action to include others, makes his classmates feel better, or helps them when they are struggling. Thanks for making us laugh and being such a great friend, Ryker!

Mr. Christianson's Sixth Grade: November LLL is **Austin Bettencourt**. To be a leader, one must have the discipline to know when it is time to be serious and put forth their best effort. It is also important to know when the time is right to relax, be silly, and have fun. Austin is a master of this craft; blending the two seamlessly together. I can always count on him to be on task and to be working diligently, but he isn't afraid to enjoy what he is doing at the same time. You can always count on Austin to be kunappy (kind, fun, and happy) and create a safe learning environment that promotes the principle idea of learning can be fun. Keep up the great work, Austin!

Mrs. Payne's Second Grade: Natalie Daily is our Little Logger Leader for the month of November! Natalie is an awesome citizen in our classroom. She is always willing to help others, is never afraid to ask for help, and shows kindness to everyone around her. Natalie always shows respect to the adults in our building as well. Her demeanor is one that shows her hard work and perseverance in every task she undertakes. Way to go, Natalie!

December's Salon News: I have a few announcements that I would like to share with you for the month of December: Starting this month I will have *GIFT CERTIFICATES for sale. These make great stocking stuffers, Secret Santa Gift Exchange gifts, gifts for pretty much everyone on your list big or small! Currently, my gift certificates are winter-themed, however, after the holidays I will have more generic salon ones, so you can purchase for any occasion, Birthdays, High School Prom, Wedding Gifts, and much more. Also with December comes Christmas, School's Winter Break for the kids and P.H.S's Winter Formal Dance. As I am a single mother of 2 elementary age children, the holidays are very much a big deal in our home so I have decided that the *SHOP WILL BE CLOSED FOR HOLIDAYS: The shop will be closed *December 23rd-January 1st*. With the shop closure over the holidays you will see some big changes when I open the doors on January 2nd! *LOCATION CHANGES: I will be moving my hair shop out of Suite 7 and will have **all of my salon services conveniently in Suite 6!** This change is going to be so huge for me and my growing business, I have made the decision to move up front so that I can better serve my clients and create a friendlier client atmosphere. I am really hopeful that this transition will be smooth and long term, it will work well for your needs, Thank you, Beauty Barn clients and future clients, for your continued support.

I truly appreciate your business.

“TOGETHER.”

FOR MUSIC.

THE elm tree of old felt lonely and cold

When wintry winds blew high,

And, looking below, he saw in the snow

The ivy wandering nigh ;

And he said, Come twine with those tendrils of thine

My scathed and frozen form,

For heart and hand together we'll stand,

And mock at the baffled storm,

Ha, ha ! Together.

And so when grief is withering the leaf,

And checking hope's young flower,

And frosts do bite with their teeth so white

In disappointment's hour,

Tho' it might o'erwhelm either ivy or elm

If alone each stood in the strife,

If heart and hand together they stand,

They may laugh at the troubles of life,

Ha, ha ! Together.

OUR SCHOOLS-November/December 2019

FRIDAY NIGHT LIGHTS! No, not the novel, not the movie, and not the tv series. **Our own Friday Night Lights.** For the past two years we have played football earlier in the daytime, either on Fridays or occasionally on Saturdays. The reason was/is that our current field lights are obsolete and do not produce enough light to sufficiently light up our football field. We have made do without the lights but Friday night football games are not quite the same without lights on the field. It is not a simple fix, put in a new ballast, change a pole out, etc. It requires purchasing a new field lighting system. However, athletic field lights are **EXPENSIVE!** Costs will vary, but in looking at a 4-pole (steel), LED lighted system, we have been told that the costs could be as low as \$175,000 and as high as \$275,000.

In the past, the District may have proposed running a Plant Facility Levy to help pay for new poles and a lighting system. If passed, the levy would have been assessed to all our community taxpayers and taxes would have increased. This is not what we are proposing, nor is it what we want to do. **What we are proposing is creating a Potlatch School District Foundation.** The Foundation would be able to receive donations, put on fundraisers, and accept monetary “gifts”, to assist with the financing of specific district projects. The Foundation would take the burden off all the district taxpayers and put it into the hands of those interested in funding specific district projects, such as new lighting for the football field. In a project such as this one, the District would be responsible to provide half the funding for the project, let’s say \$125,000, and the Foundation would match that number by providing another \$125,000. That would provide the District with \$250,000 for the project without having to run a Plant Facility Levy and increasing taxes to all of our taxpayers. So where would the Foundation receive its funding support? Hopefully, from several sources, such as corporate or business sponsorship, alumni donations or gifts, community fundraising efforts, to just name a few.

Our goal is to have our first project, the field lights, completed by August/September, 2020. This means that the Foundation needs to get off the ground and start organizing, planning, and begin working towards that goal. So how do we get the ball rolling or, in this case, the lights lit? The Foundation is going to be a community-led entity, who works in collaboration with the school district. It will require a governing committee who will oversee the financial activities and events and will communicate to the public and other stakeholders the mission of the Foundation, as well as the need for financial or *service support*, meaning if a person cannot financially provide support, they might be able to offer their time and/or services to assist on projects.

If you are interested in finding out more about the Potlatch School District Foundation or you might be interested in serving on the governing committee, the Potlatch School District will be hosting **an informational meeting on Thursday, December 12, at 6:30 p.m.** in either the High School Gym or the High School Library (whichever is available that evening). We would love to have you attend and share your ideas and thoughts. Let’s make this happen!

Weekdays 4 to 6pm

Dear Logger Families,

As we move full swing into Fall, I would like to start by wishing everyone a Happy Thanksgiving. As we take a short break from school, it is a great time to spend quality time with our friends and families and eat a great meal. This time also provides an opportunity to reflect on our accomplishments and plan for future success in our academic, athletic, and extra-curricular activities.

To recap our first quarter successes: Potlatch Jr-Sr High School had 145 students qualify for Academic Honor Roll with a 3.0 Grade Point Average (GPA) or better.

- 21 students had a 4.0 GPA
- 56 students had a 3.5-3.99 GPA
- 68 students had a 3.0-3.5 GPA

Congratulations to these Honor Roll students for their academic achievement.

The following students received special recognition and named “Student of the Quarter”:

- 7th Grade-Everett Lovell
- 8th Grade-Alexis Hamburg
- 9th Grade-Lyndze Cessnun
- 10th Grade-Jessica Hogaboam
- 11th Grade-Ben Veith
- 12th Grade-Savanna Pagel

Congratulations to this group of students that were nominated by their teachers based on one or more of the following criteria: outstanding grades, significant progress in the classroom, marked improvement in grades, leadership, notable consideration towards others, outstanding attitude/disposition, exemplary character, community involvement/service, personal development, and/or individual achievement.

Our Athletic Teams continue to impress and succeed on and off the field. Congratulations to the Varsity football team for making it to the quarter final round of the state football playoffs.

The Lady Loggers Varsity Volleyball team also had a successful season whereas they finished 3rd in their league and 5th in the District. Special recognition goes out to Charlee Beckner and Olivia Wise. Charlee Beckner was named 1st Team All-League and Olivia Wise was named 2nd Team All-League.

The Cross-Country Team qualified for the state playoffs. Our Junior Varsity and Junior High teams continue to develop and show signs of success. Winter sports are beginning with girls and boys basketball starting their games. Wrestling season will start soon.

We would like to thank our Veterans and other community members that joined us at the Elementary School to celebrate Armistice Day. We would also like to thank all the parents that participated in the Fall Parent/Teacher Conferences and who come out to support our Athletic teams and other school related activities.

Our Science and Engineering Fair was a huge success as students got to showcase their projects for parents, community members and business and industry guests. Over 100 students participated with 72 project entries. Projects were judged by volunteer judges from the private sector and post-secondary education.

Congratulations and good luck to: Olivia Wise (1st place), Josphine Pagel (2nd place), and Aaron Quiring (3rd place). These students will advance to the regional Science and Engineering Fair to be held in Coeur d’Alene in March. Jessica Hogaboam and Taylor Lawrence also deserve Honorable Mention for their projects. Thank you to the parents, judges, community members and students that helped make this event successful.

The After-School Program continues to give students another opportunity to learn as activities include: NASA Project, Lego Robotics, Intro to 3D Printing, and Test Prep and Scholarship help.

The University of Idaho-Upward Bound Program continues to provide support for our students in the way of scholarships, fieldtrips, guest speakers, test preparation services as well as providing financial aid advice for students.

Thank you again to our parents, students, community members and other partners for making Potlatch a great place to learn, work and play. We continue looking for ways to partner and communicate with you to support our students and school related activities. We are focused on our mission of providing a safe, nurturing environment that prepares life-long learners to contribute to our global society. We believe this mission will prepare students for their personal vision of success after high school.

We need your help and support in order to succeed. Please stay connected with the school and your child’s teacher(s), promote excellent attendance, and check on your student’s progress regularly. Please support school activities and provide your input. We believe in a strong family-school partnership in order to help students succeed.

Please stay connected with us through our Facebook pages, website, and on Skyward (student grades, attendance, etc.). From time to time, we publish photos of students and staff engaged in fun and unique activities on our Facebook pages and website. Please notify the office, if you would like to have your child’s photo excluded from any publications.

MAKING SENSE OF INVESTING

The AWANA Christmas Store is coming up on December 18. This takes lots of help to make it happen.

If you have things to donate (items they can give their family for Christmas gifts) it's not too late. We need people to wrap gifts and sell the items (purchases are with the Shares they have earned). If you'd like to help, please contact Lisa Lambert at 208-596-3072.

 The Advent Series is titled Born the King
(Tuesday) Traditional Candlelight Christmas Eve service starts at 7:00p.m.

Awana Kids Christmas Store Donations

The kids that participate in the Awana program at the Princeton Nazarene Church are able to go Christmas shopping for family members at the Awana Christmas store. The kids work hard to earn "shares" each week by their participation in memorizing verses and wearing their vests as well as other things that count towards their earnings. The date this year for their night of shopping is Wednesday, December 18.

Awana would greatly appreciate donations to their Christmas store. The kids shop for parents, grandparents, siblings, and others depending on how many "shares" they have accumulated, so the donated items can be for any age and any gender, new or gently used. The gifts leave that night wrapped and ready for giving. The Awana store could also use donations of gift wrap, gift bags, tape, or bows. To arrange for your donations to be picked up or to make arrangements for dropping off your items, please contact Lisa at 208-596-3072. Thank you for your help with our store.

GRACE COMMUNITY CHURCH

Grace Community Church Sunday School, 3yrs to 100+ at 9:00 a.m. Worship hour starts at 10:00 a.m.

Potlatch Lion's Den

Welcome to the Lion's Den. We would like to kick off the month of December by saying a huge THANK YOU to all our wonderful community members who purchased a board for the Potlatch Lions Club Name Board Display on Highway 6, across from the Potlatch Medical Clinic. Club members spent a Saturday morning putting up the display, and we would love it if you stopped by to take a look and to say "thank you" to any of the individuals who donated to help out this great community!

The Lions Club is going to be busy this year at the annual Christmas in Potlatch event on Dec 14. We will be helping to hand out cookies and cocoa with Santa from 11:00 a.m. to 2:00 p.m. at the Scenic 6 Depot. Be sure to stop by, say hello, and check with Santa to see if you are on the naughty or nice list! We're also planning to have a float in the Lighted Parade again this year. Come check us out!

The Potlatch Lions Club is always on the lookout for more civic-minded individuals to join our group. If you like to help out around the community, we'd love to have you as a member of the Club. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions.

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.
