Potlatch PTO

Last year we were able to raise **$865.60** with your generous aluminum can donations! Thank you!! This year, we are starting our collection earlier in hopes to double that amount. There will be a horse trailer parked by the Lions Club covered picnic area by the elementary school. Please toss your bags of rinsed and crushed cans into the trailer.

Our fundraising efforts are being put to good use. We work hard to spend the money earned fundraising very wisely. We put on yearly coloring contests with gracious monetary donations from Idaho's Best Homes and Land. We are working to offer a yearly start of school movie night/BBQ/ice cream social. Ideas welcome.

Each year we purchase; kick balls, basketballs, and jump ropes for each class. We purchase all of the Wednesday Weekly folders for every student and purchase lunch for teacher appreciation week. We want to show our teachers we appreciate their hard work! This year, we purchased "Teacher Survival Kits" as a small token of our appreciation. Easter festivities are put on with the Lions Club. Our biggest monetary goal is…playground equipment for the secondary side of the elementary school!

Please follow our Facebook page, Potlatch Elementary PTO, for updates on upcoming fundraisers, events and more! Parents, teachers and all community members are welcome and encouraged to join. Our goal as a group is to bring the parents, teachers, and community together for the future of our kids. Our next meeting is Wednesday, October 16, 2019, at Codi Jo's Wagon Wheel Bar and Grill starting at 6:30 p.m.. We hope you can join us!

Fit and Fall Proof ™

Fit and Fall Proof is still active and going strong! **We meet every Tuesday and Friday from 9:00 to 10:00 a.m. at the Palouse River Community Center in Princeton.**

Believe it or not, exercising with friends can be fun! Even if you are feeling a little down and discouraged, come and join us. There is always someone here to cheer you on and give you a pat on the back. Of course, it helps if you bring a good clean joke or a fun story.

This program was designed by the Idaho Department of Health to keep older citizens active and prevent falls. We work on improving strength, balance, and endurance through walking, stretching, and the use of bands, weights, balls, and more. If you need the assistance of a walker or a cane, bring it along. **The class is open to all ages and it is FREE!**

If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

Little Logger Leaders

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for September is **Baily Bain**. Baily puts 'First Things First'. She always strives to do her best work. She is organized and sets her priorities so that her work is complete before moving to the next task. Well done, Baily!

Mrs. Weaver's Fifth Grade: Brynn Schatz is our Little Logger Leader for September. Brynn has jumped into 5th grade with enthusiasm, going beyond expectations, and demonstrating excellence in her work. She has a zeal for learning that is shared with those around her. This eagerness for learning will benefit her in 5th grade and beyond!

Mrs. Wilson's Fourth Grade: The Little Logger Leader for this month is **Hunter Ely**. I have really enjoyed getting to know Hunter as the school year gets underway. He is a kind, considerate student who takes responsibility for himself and yet still manages to care for and be kind to all those around him. He holds open the door for others without being asked, he makes sure others have what they need, often putting himself and his desires *second*, and thinks of others first. His quiet, consistent leadership will be an asset to our entire class this year!

Ms. Ridgeway's Fourth Grade: Our September Little Logger Leader is **Jordan Lusby**! Jordan has had a strong start to the school year in all areas. She works hard in everything she does and is a great friend to her classmates. She is caring and considerate. Jordan is always finding ways to help and support her classmates and we are so lucky to have her in fourth grade!

Ms. Montgomery's Second Grade: Brysen Taylor is our Little Logger Leader this month. Although Brysen is new to our school, he has adjusted very well. I like how Brysen demonstrates to his classmates how to be an eager learner and participant in all of our lessons and activities. Brysen is also very kind and thoughtful to others.

Mr. Gossack's Sixth Grade: Kaden Hazeltine is our LLL for September. Kaden is a hard working student who chooses to come to school every day with a positive attitude. People want to hang out with Kaden because he is a joyful and happy person. Kaden, keep influencing those around you to choose a great attitude!

Mrs. Pfaff's Third Grade: Our September LLL is **Austin Felton**. Austin is respectful to all of his classmates and teachers. He always has a ready smile, positive attitude, and a kind word to friends. Austin can be counted on to know what is going on and to help others who might need guidance. I especially appreciate how he is a friend to everyone. I am so happy to have him in my class this year!

Mrs. Short's Kindergartens: Mabel Montgomery is our **Busy Bee** Little Logger Leader for September. She has already been a strong leader in the classroom through her kindness and respect for others. She is a sweet and thoughtful young girl and is quick to help others in any way she can. She follows directions, listens attentively, and does her best at every activity. It has been such a pleasure to get to know her!

Konnor Sines is our Little Logger Leader for the **Eager Beavers**. With his positive attitude, kind nature, and infectious smile, Konnor has made our kindergarten classroom a brighter place. He shows kindness and patience to his classmates and has a great sense of humor. He is attentive in class and is always up for new activities. It has been so much fun to have Konnor with us in kindergarten!

Mrs. Gussenhoven's First Grade: Aubree Riddlemoser is the Little Logger Leader for the month of September. Every day, she comes to school with a great attitude for learning. Aubree is very kind to others and will go the extra mile to help when someone is in need. Her leadership skills stand out because she genuinely wants the best learning environment for her classmates as well as for herself. Aubree is very responsible and is always striving to do her best on all of her assigned tasks. I am so proud of you and keep working hard!

Mr. Christianson's Sixth Grade: The LLL for September is **Rachelle Howell**. The first couple of weeks have been fantastic! Getting to know all the students, seeing where they are at, and what they are capable of! One student, our Little Logger Leader, has acclimatized so well to our classroom that they have begun to help their peers! Enter: Rachelle Howell. Her willingness to learn, participate, her positive attitude, and desire to help others makes her a great leader! Keep up the great work, Rachelle!

Mrs. McKinney's First Grade: Brentley Woodin is our Little Logger Leader for this month. Brentley is very thoughtful and always kind to his classmates. He is also a very good helper. I have enjoyed getting to know Brentley these last few weeks and I am so excited to see all of the wonderful things he will accomplish this year. Thank you for being you, Brentley!

Mrs. Payne's Second Grade: Kaley Rice is our Little Logger Leader for the month of September! Kaley is the kind of student that I can always depend on to be ready to start each lesson, and she is always listening to learn. She has a calm and positive attitude towards everything and is a great example to those around her. Kaley is learning to be a confident student and person. I'm proud of you, Kaley, and you should be too!

Ms. Ballantyne's Third Grade: Milie Montgomery is our LLL for September. Milie is a leader in the classroom in many ways; she is someone who leads by example. She is confident in herself and what she should be doing in class. She is a complete joy to have in the classroom, always coming in with a smile and a readiness to learn. Milie is a very persistent, hard working third grader. She is already setting high goals for herself and doing whatever she can to achieve them. She is amazing at helping others and being a good friend to all of her classmates. She is doing such a great job and I am very proud of her!

"Do you remember who you were before the world told you who you were supposed to be?"

All of us have dreams that never came true. Life happens; we grow up; and we learn to be the "responsible" adult we are.

UI Extension is offering two new workshops to help you discover your "why"...whatever your why may be:

- In the **"Finding Your Why"** workshop, we revisit your dreams. It is a very interactive one-hour where you will leave inspired, a little crafty (there is a really fun craft project involved – don't be afraid) and a lot more equipped with new tools to reach important goals. This is the "precursor" to the...
- **"Funding Your Why"** workshop... in this one-hour workshop, we will talk about our money archetypes. These are those personalities that frame how we manage (or don't) our money and resources. Bring your inspired projects from the "Finding Your Why" workshop and we will help you make them happen. We will play a couple of very interactive games and start the process of creating a money spending plan that will help you reach even those forgotten (or maybe not-so-forgotten) childhood goals we talk about in the first class.

Both classes are very free, very low-key, very fun, and very interactive. You will leave with tools and ideas that will change how you think about your finances. If you are ready for something fun and new to help you reach the goals you have always wanted to or if you are stuck and need another view on what you are doing or if you just want to come and hang out with us, here's the scoop:

Columbus Day

Columbus Day is a national holiday in many countries of the Americas and elsewhere which officially celebrates the anniversary of Christopher Columbus's arrival in the Americas on October 12, 1492. Christopher Columbus was an Italian explorer who set sail across the Atlantic Ocean in search of a faster route to the Far East only to land at the New World. His first voyage to the New World on the Spanish ships *Santa María*, *Niña*, and *La Pinta* took approximately three months. Columbus and his crew's arrival to the New World initiated the Columbian Exchange which introduced the transfer of plants, animals, culture, human populations, and technology between the new world and the old.

Local observance of Columbus Day

Actual observance varies in different parts of the United States, ranging from large-scale parades and events to complete non-observance. Most states celebrate Columbus Day as an official state holiday, though many mark it as a "Day of Observance" or "Recognition" and at least four do not recognize it at all. Most states that celebrate Columbus Day will close state services, while others operate as normal.

San Francisco claims the nation's oldest continuously existing celebration with the Italian-American community's annual Columbus Day Parade, which was established by Nicola Larco in 1868, while New York City boasts the largest, with over 35,000 marchers and one million viewers. As in the mainland United States, Columbus Day is a legal holiday in the U.S. territory of Puerto Rico. In the United States Virgin Islands, the day is celebrated as both Columbus Day and "Puerto Rico Friendship Day."

Virginia also celebrates two legal holidays on the day, Columbus Day and Yorktown Victory Day, which honors the final victory at the Siege of Yorktown in the Revolutionary War.

OUR SCHOOLS-September/October

We are off and running for the new school year!!! We are a month in and the schools are both "hustling and bustling". Our enrollment at both the Elementary and the Junior-Senior High School have shown increases, with 249 students enrolled at the Elementary and 229 students enrolled at the Junior-Senior High School, for a total of 478 students district-wide.

Last month I made mention of an upcoming increase on admission prices, starting this year, at all Whitepine League sporting events at all member school sites. At the September Board Meeting, our Board of Trustees approved the increase for our admission prices, as well as increased costs on our various game passes. The new prices will go into effect on September 19.

The increased admission prices are:

For High School Events:		**For Junior High Events:**	
Adults	$6.00	Adults	$4.00
Sr. High Students (w/o Activity Cards)	$5.00	All Students (w/o Activity Cards)	$3.00
Jr. High Students (w/o Activity Cards)	$4.00	Senior Citizens (Out-of-District)	$3.00
Elementary Students	$3.00	Senior Citizens (In-District)	FREE
Senior Citizens (Out-of-District)	$5.00	Children Under 5 – Accompanied By An Adult	FREE
Senior Citizens (In-District)	FREE		
Children Under 5 Accompanied By An Adult	FREE		
10-Game Punch Pass	**$50.00**		
Couples Pass	**$120.00**		
Family Pass - 2 Adults/2 Children*	**$150.00**		

Each additional child is $35.00

As I often share in our May or June edition of the C.I.A., staffing changes occur frequently at the end of the school year and so we lose wonderful people but we gain some wonderful folks as well. It is rare that we lose folks at the start of the school year but that is what exactly has happened this past month, with the resignation of four of our classified staff. They are:

Candi McGreal	Elementary Paraprofessional	23 Years
Jenni Emerson	Jr.-Sr. High Library Aide & Student Support	6 Years
Becky Kent	Bus Driver	6 Years
Melissa Farnham	Kitchen Support	3 Years

We wish them all the best in their future endeavors but they will be truly missed! Thank you Ladies!!

And, as it turns out, this was also the last month of work for one of our Elementary teachers who has taught in our district for the past 14 years, Mrs. Debbie Dawes. Debbie has chosen retirement and is ready to move on to the "finer things" in life, such as grandparenting, traveling, having fun adventures with Denny, and relaxing! Thank you Debbie for the time, energy, and love that you put into teaching our students and being a vital part of our educational community. Enjoy!

However, with resignations and retirements, there also comes the excitement of new hires and we have added a few new (but recognizable) faces to our midst. They are:

Renee McKinney	Elementary Paraprofessional
Cheri Goude	Kitchen Support
James Amos	Elementary/Secondary Paraprofessional

Although "change" can be difficult at times, we know that Renee, Cheri, and James will be a great fit and make a difference for our students and schools for the years to come. Welcome to our "family"!

FMBE

The F.M.B.E. 4H club is finishing up another year with the completion of the fair. The support you, our community members, and businesses gave us throughout this year and at the livestock auction helped our members have very successful projects.

We would like to recognize our hardworking leaders who volunteer hours of their time to guide, teach, and support our youth with their projects: Annette Redmon in beef; Jo Larson in swine and goat; Jessica Lusby in swine; Tammi Johnson in rabbit, candy making, lamb, general projects; Abby Walser in sheep; Bear Schultz, Rod Kenworthy, and Tim Whitney in shooting sports disciplines; and Edie Simons in poultry and general projects.

4H assists our youth in learning to be great community members and creating successful leaders. Our members also thrive with supportive and involved families. We appreciate all you contribute to us. Thank you!

Potlatch Lion's Den

Welcome to the Lions Den. The Club is excited to bring you up-to-date with our upcoming events.

` Attention trick-or-treaters! Stop by the Lions Clubhouse, 620 Larch, for some ghoulishly good treats! We'll be there from 4:30 p.m. until whenever the candy runs out.

Would you like to show your community support? For a small donation of $10, you can purchase a board with your name on it (up to 26 letters) to hang on the Potlatch Lions Name Board. From mid-November through January, your name will be displayed with all of our other community supporters at the Name Board exhibit on Highway 6 (across the street from the Potlatch Medical Clinic). Proceeds from the display help to fund holiday events and activities for the community. For more information, please contact Don Ball at 208-892-3369 or at donball68@live.com.

Look for us in December at the Potlatch Community Christmas event. We're still hammering out the details, but we're pretty sure that Santa will be visiting with us again this year. Stay tuned for details!

The Potlatch Lions Club is always on the lookout for more civic-minded individuals to join our group. If you like to help out around the community, we'd love to have you as a member of the Club. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions.

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.
