Potlatch Scouts Update Service, Desserts, and Smiles

Since we last reported, the Potlatch Boy Scouts along with the Venture Crew have been particularly busy helping out with a bunch of projects in the community. More on those below. We have also had some fun activities, including a camping / hiking trip at Palouse Falls (hard to believe we haven't gone there in recent memory!), and a Dutch Oven Dessert Cook-Off during one of our Wednesday meetings. Both of these helped everyone practice outdoor cooking skills! We also practiced important knots and got ourselves ready for a rock-climbing weekend, which was fun and worthwhile even though we had to cancel due to weather.

On a different topic, we all should give a big CONGRATULATIONS to Matthew Hacker, who completed all of the requirements to earn the Eagle Scout rank. Many of you probably remember his Eagle Scout project, repairing the tennis courts a few years ago, and now he has completed the remaining requirements for the Eagle rank. Congratulations, Matthew!

Coming back to projects. For one, the Venture Crew took a couple of their evenings to put in a set of steps up to the alley in back of the VFW Hall to make the shed much more accessible. The VFW has been great to us, and it was a nice and gratifying way to give back.

The other two projects involved helping some of our own: Two Troop members have been busy planning their Eagle Scout projects, and working out details over the past several months. James Huggins pulled together the needed funds, expertise, supplies and volunteers to set up a Disc Golf course at Scenic Six Park and got it installed just a few weeks ago. It wasn't even completely done when folks began telling us about their appreciation for this new recreational activity in town. In parallel, Nathan Lloyd, was working similarly on his plan to put in nice big "Welcome to Potlatch" at both ends of town, which also was completed mid-June. The positive comments and wonderful posts on our Facebook page were coming in even before the first coat of stain had dried! Both of these young men did great jobs on these projects, and if they can just get the REST of the Eagle Scout requirements completed, we'll hopefully be congratulating them next month!

That's all for now. Hope to see you at our Snow Cone Booth at Potlatch Days just a few weeks away!

For more info about our Troop and Crew, call Jim at 208-875-8716 and/or visit: <https://www.facebook.com/PotlatchScouts358>

"Disc Golf" Comes to Potlatch!

Over the past few weeks, a new Disc Golf Course was put in at Scenic Six Park as an Eagle Scout Project funded by the Potlatch Recreation District on behalf of the City. The course was completed by Potlatch Boy Scout Troop 358, with the help of the Potlatch Venture Crew and many of the Troop's adults and parents. It is a nine-hole course and is spread throughout the park.

For those that don't know, Disc Golf is one of today's fastest growing sports. It works similarly to regular golf; however, instead of using golf clubs and golf balls and aiming for a hole, Disc Golf players use golf discs (similar to Frisbees) and aim for a Disc "Basket" held up in the air on a pole. A "Tee" in Disc Golf

is a rectangular area the player throws from (ours are made of gravel held in by wooden 4x4s). The object of the game is to complete each hole in the fewest number of throws from its tee, and the person with the lowest cumulative score is the winner. *This description is adapted from the Disc Golf Association web site at www.discgolf.com

COUNTDOWN TO RIVERSIDE

The countdown is on for the inaugural Potlatch Country Music Festival to be held on Saturday, August 6th. Entitled "Return to Riverside", this event has been designed to once again place Potlatch, Idaho "on the map" as a hot spot for country music in the Inland Northwest Region.

Four great bands have been hired and excitement is building. It will be held at Ponderosa Park, which is located just south of Potlatch Elementary School, and was formerly the location of the Potlatch Community Days celebration. Performances begin at 10:00 a.m. and will end at 5:00 p.m. The Annual Fiddle Show will be taking place at Potlatch Jr/Sr High School beginning at 6:00 p.m. Tickets are priced at \$10.00 each and are available in advance at Blackbird Station at the Potlatch Depot, at Latah Federal Credit Union in Potlatch, and at US Bank in Potlatch as well as at the event itself.

There will be limited bleacher seating at the park so plan on bringing folding chairs or a blanket. Food and refreshments will be available on site including assorted BBQ complete meals, hamburgers, sausage hot dogs, and old fashioned ice cream.

Please come and join us for a real country happening event...it should be a memorable day!

FMBE Summer is finally here! School is out and the FMBE 4-H Club is busy with their projects and starting their record books for the fair. There is a new fair manager this year that is working on some enhancements. General 4-H exhibits will be at the ice rink and there will be a stage for the dog show and style review. Thank you to Julie Lusby who has been working on new FMBE 4-H shirts for our club.

The June meeting started with a fun Oreo Challenge for entertainment. Thank you to Jaxson Vowels, Cameron McGreal, Mason Shuemaker, and Dally Beebe who completed their demonstrations. Next month we are looking forward to the annual potluck and pool party. We postponed the Butter Braids fund raiser until August when it is available again.

SCENIC 6 FIDDLE SHOW SET

The Annual Scenic 6 Fiddle Show is set for Saturday, August 6, at 6:00 p.m. at Potlatch High School. The show features regional fiddlers and accompanists. Those interested in playing should sign up by 5:30 p.m. An audience donation requested at the door is \$5 for adults; those under 18 are free.

The show opens with the Potlatch Junior Jammers, a youth group led by Mabel Vogt, an Idaho and Northwest Regional champion fiddler. Each Scenic 6 Show participant will perform two tunes with accompanists of their choice. Approximately 25 musicians are expected to participate. Those in past programs have included fiddle, banjo, mandolin, guitar, concertina, accordion, harmonica, bass and dobro players, as well as singers.

Refreshments will be available from 5:00 p.m. through intermission. The Potlatch Presbyterian-Lutheran Community Youth

Group is raising funds for their activities through their food and beverage sales.

"One of the purposes of the fiddle show is to help keep the tradition of fiddle music alive," said Vogt. "Our music comes from the dance tunes of the diverse cultures of America's immigrants. Besides jigs and reels from the British Isles, today's fiddling includes polka, waltz, ragtime, blues, bluegrass and swing styles. Most fiddlers play by ear, and have learned tunes passed down from one generation to the next. But there is also much improvisation and re-interpreting, as well as composing of new tunes in the genre."

Seating is chair, bleacher or personal lawn chair. Camping space for RVs or tent at Scenic 6 Park is available by contacting Potlatch City Hall. Potlatch Arts Council has produced the show nearly 20 years with the support of area sponsors and volunteers. For more information contact Mabel Vogt, 208- 875-0947.

Potlatch Lion's Den—Information on Potlatch Days activities!

Welcome to the Lion's Den. The Club is excited to bring you up-to-date with what we have going on in July. With the Potlatch Days Celebration coming up, we have a lot to tell you about!

If it isn't on your calendar yet, it should be. The Annual Potlatch Days Celebration is going to be Friday-Sunday, July 15-17.

The theme for this year's celebration is "When Family and Friends Gather Around." Thank you to Lillian Hume for submitting the winning poster and theme for this year's celebration!

We're kicking off Potlatch Days on Friday night with a free concert at Scenic 6 Park featuring Shiloh. The music will start at 7:00 p.m. Bring your lawn chairs and blankets and settle in for an evening of family-friendly musical entertainment. If you're looking for something active to do on Friday, Nancy's Fitness is sponsoring a Beer Run Scavenger Hunt. For more information, contact Nancy at (208) 669-1984.

As always, there are a number of events happening on Saturday, July 16. We kick the day off with breakfast, from 6:00 to 10:00 a.m. at Lions Club Park. Come enjoy a big breakfast of pancakes, eggs, and sausages for a low price. The parade kicks off at 10:00 a.m., with sign-up starting at 8:00 a.m. at the Railway Depot.

The Potlatch Days Car, Tractor, and Motorcycle Show will also be held on Saturday with sign up/registration starting at 10:00 a.m. and the judging beginning at 11:00 a.m. There is a suggested donation of \$10 for each entry with proceeds going toward the Potlatch Lions Club Scholarship fund. We have judges lined up to evaluate all entries in this year's categories: Cars, Trucks, Tractors, Motorcycles, and In-Progress Vehicles. But we're still looking for some audience participation! Everyone who comes to Potlatch Days can wander over to the car show area and vote on their favorites for the "People's Choice."

In addition to the breakfast, parade, and car show, we have lots of other activities going on.

If you're looking for a way to burn some calories before breakfast, the annual Fun Run/Walk will start at 7:00 a.m. at Potlatch High School. For more information, contact Nancy Smith at (208) 669-1984.

Check out the local quilting talent on display from 10:00 a.m.-4:00 p.m., Saturday, at the Presbyterian Community Building, 305 4th Avenue. If you are a quilter and would like to display some of your items during this event, please contact Eileen Ball at (208) 875-1261 or Kathy Orr at (208) 875-2000.

Come show off your chainsaw and axe skills against others in the Logging Competition starting at 1:00 p.m.

Returning this year is the Human Foosball Competition. Are you the king or queen of foosball? Ready to take those skills to a life-size game? If so, put together a team and test your skills against others in the tournament. For more information, contact Shane Anderson at (208) 669-1924.

After all of that, you might be looking for a way to cool off during the heat of the day. If so, you might be excited to hear that Keg Water Wars are back for another year. Sponsored by the Potlatch Volunteer Fire Department, teams will battle with water to move a keg, suspended above the ground on a wire. To register your team, call Bret Carpenter at (208) 669-0061.

The Pickling and Salsa Contest has expanded this year to include all home-canned items. Do you have an award-winning recipe? Bring it on down to Scenic 6 Park. Contact Tim Brent at Harvest Foods for more details and information.

If that isn't enough entertainment, we're also planning a potato sculpting contest and a number of local craft and food vendors with their wares on display for you to browse through. Check out the Potlatch Community Days Facebook page for more details on events being held throughout the weekend. There will also be raffle tickets for sale with drawings held throughout the day.

Potlatch Days activities wrap up on Sunday with Sunday Morning Church Services at 9am at Scenic 6 Park.

We have assembled a number of awesome prizes donated by local artisans and businesses. A special thank you to the businesses on our donations list so far: Forest Nursery, Codi Jo's Wagon Wheel, P.S. Espresso, Hatter Creek Treasures & More, Fiddler's Ridge Farm, Lucky 7 Saloon, Lock-N-Load Storage, FM Auto, Northwest Pharmacy, Four Star Supply-The Grange, U.S. Bank, Harvest Foods, Junction Lumber, Dad's Diner, Potlatch Pack, Potlatch Family Dental, and Full Circle Ranch. You can also check out the Potlatch Community Days Facebook page where we will update the donor list as we go. If you would like to purchase raffle tickets, they are \$1 each or 6 for \$5, and available from your local, friendly Lions Club member!

And speaking of Lions Club members, are you someone who likes to help out around the community? If so, consider joining the Potlatch Lion's Club. We are always on the lookout for more civic-minded individuals to join our group. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions, especially at Potlatch Days!

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.

Come out and enjoy Potlatch Days!

Local Nonprofit Director becomes Certified Prevention Specialist

Latah County Youth Advocacy Council's Prevention Director, Debi Dockins passed the certified prevention specialist exam this May, joining a small select group who hold this certification in Idaho.

The certified prevention specialist test is standardized by the International Certification & Reciprocity Consortium, which sets the international standards of practice for addiction counseling, prevention and clinical supervision through testing and credentialing professionals.

Training for the test was offered by the Idaho Office of Drug Policy and proctored by Boise State University staff hired by International Certification & Reciprocity Consortium. The Idaho Office of Drug Policy offered training and the opportunity to take the exam in efforts to get more prevention professionals certified in Idaho. Fifteen people from around the state tested on May 12, 2016.

Before the test was administered, only two people throughout all of Idaho held the certified prevention specialist credential. Now Debi joins thirteen others from across the state who share this new certification.

The Latah County Youth Advocacy Council has been present in Latah County for 10 years, formed in 2006, by passionate community members concerned with reducing youth substance use in Latah County.

"With this credential and the work and effort it represents, Debi underscores her commitment to our program, and most importantly, to all Latah County youth and families," LCYAC Board Chair Charlie Gerke said, "I anticipate she will use her new skills and knowledge to help us keep LCYAC strong for another 10 years."

For additional information call Debi Dockins (208)883-2268 or email lcyac@latah.id.us. For more information on the Latah County Youth Advocacy Council visit www.latah.id.us/yac or www.facebook.com/lcyac2011.

The Latah County Youth Advocacy Council (LCYAC) is youth, families and community organizations collaborating to reduce youth substance use in Latah County. Since 2006, LCYAC has been funded by grants and donations through Latah County Youth Services.

Grilling Safety Tips from the Moscow Volunteer Fire Department

- ◆ The Moscow Volunteer Fire Department reminds citizens to observe safe grilling tips to keep summer barbeques from going up in flames.
- ◆ Keep your grill clean by removing grease or fat buildup from the grill and the tray below the grill.
- ◆ Never leave your grill unattended. Keep children and pets at least three feet away from the grill area.
- ◆ Keep your grill placed away from the home, deck railings and out from under eaves and overhanging branches.
- ◆ If using charcoal, let the coals completely cool before disposing in a metal container.
- ◆ If using propane, check the gas tank hose for leaks before using it for the first time each year.
- ◆ If you smell gas while cooking, immediately get away from the grill and call the fire department.
- ◆ If the flame goes out, turn the grill and gas off and wait at least 15 minutes before re-lighting it.

ON TRACK TO MAKE A DIFFERENCE Choosing the Depot

In spring 2015, a team of three students decided to partner with the

Washington, Idaho and Montana Railway History Preservation Group. Ryan Richey, a senior from Mullan, said the group thought a project with trains would be interesting, and when they learned the scope of the Potlatch train depot renovation from organization founder Jim West, they really got on board. "When I found all the things Jim was doing, I got really excited about it," Richey said.

The team, which also included Carissa Thomas and Nathan Romans, who both graduated in May 2015, searched for a grant that matched the railway group's goals. The Inland Northwest Community Foundation (INWCF) was a slam-dunk. West, who works for the Idaho Transportation Department (ITD) in Coeur d'Alene, created the preservation group in 1998. It purchased the depot from the Palouse River and Coulee City Railroad in July 2001 and was awarded an initial \$450,000 Transportation Enhancement grant from ITD in October 2001. Exterior work was completed in 2007, and interior renovations began in 2010.

The bottom floor of the depot now includes a museum, the Blackbird at the Depot gift shop and a small entertainment venue. Upstairs, the preservation group is creating a business incubator with room for 12 businesses.

In addition to identifying the INWCF grant, the students wrote a portion of the application for West. After going through the three-stage application and interview process, the depot group was awarded \$24,900. It received another \$5,000

from the Idaho Heritage Trust. The funds are being used to complete the upstairs renovation, which should be finished in late spring.

The depot still needs a bit more funding before the effort will be completely wrapped up: West hopes the annual **Idaho Gives** rally at One World Café on May 5 will push the group over the finish line and raise enough money to finish the upstairs restroom.

"The grant helped us see the light at the end of the tunnel," West said. "I'm very grateful for the students' help."

Real-World Emphasis

The students are just as grateful as West for their involvement in the project. None of the three had ever written a grant before. It's a skill Richey is already putting to other uses: He's helping a friend write a federal grant in the hopes of starting a small business to provide high-speed Internet to the Mullan area.

More importantly, it gave the students confidence that their degrees from UI would lead to jobs in the real world. "It was a valuable learning experience," Richey said. "I finally felt like I had something I could put on my resume and feel good about. It gave me confidence for the future." The course puts a lot of focus on "soft skills," Kelley-Riley said: problem solving, communicating across audiences, how to research and locate information, how to work with a client to meet their needs. All vital to most career fields.

"A lot of students really, especially at the end of the class, have some things that they can be really proud of. I see it as a great transition to move into the 'real world' to get that kind of experience," she said.

Fellow teammate Carissa Thomas, who graduated with a degree in

COUNTRY MUSIC FESTIVAL ALMOST HERE!

You have been following progress of the inception and planning of RETURN TO RIVERSIDE, our inaugural Country Music Festival, for almost a year now. It is hard to believe, but it is ALMOST HERE!

We have four great bands, wonderful summertime food and refreshments, and Ponderosa Park is ready and waiting...all we need now is YOU! Remember to bring folding chairs or a blanket since there is only limited bleacher seating, and maybe some sunscreen and a hat. There is some shade available, though, for those who come early enough.

Tickets are available at Blackbird at the Depot, Latah Federal Credit Union, Hatter Creek Land Co., US Bank, and at the event. Ticket prices are \$10.00 for adults and \$5.00 for 6-15 yrs.

Please come and help make this first festival a success. As was mentioned earlier in this newsletter, it's been planned to continue into the future and become a "signature event" for our area. Please join us for this first ever RETURN TO RIVERSIDE Country Music Festival and be part of history. See our ad on page 2.

Potlatch Lion's Den

The annual Potlatch Days Celebration has only been over for a couple of weeks, but the Potlatch Lions Club is still as excited as ever about the great turnout and community support!

We would like to extend a heart-felt round of applause and gratitude for the volunteers who worked behind the scenes to help us make the event so successful! In no particular order we want to thank so many of our community volunteers: Laurie Heustis for compiling information for the event poster; Lillian Hume for her outstanding winning entry in the poster and theme contest; the Potlatch Historical Society for serving as grand marshals of this year's event; Shiloh for the great concert in the park Friday night; Bennett Lumber for use of their trailer for the music stage Friday night; Debi Dockins for performing emcee duties throughout the day; John Felton, Bruce Boller, Bob Kerns, and Terry Largent for serving as car show judges; Tim Brent for running the Canning & Pickling Contest;

Gavin Butterfield, Candi Politte, Gary Lam, Don Harder, Karen Harder for serving as judges at the Canning & Pickling Contest; Corrine Kinman, Sandy Anderson, Jeff Cirka, Barb Scoville, and Joann Thompson for helping out at the Lions Breakfast; Kasey Kampster for organizing the Potato Carving Contest; Nick Heath and crew for an amazing afternoon of logging sports; Nancy Smith for organizing the 5k fun run; Brian Bryngelson for helping with human foosball; Anna Bryngleson, Jamie Anderson, and the rest of the Rolling Hills Derby Dames for rolling into town for a derby demonstration; Bear Schultz for setting up the shooting range; the local Boy Scouts and Jim McMillan for collecting garbage throughout the day; the Potlatch Elementary PTO for running the bouncy houses and kids events; Becca Runyon for setting up the kids' sawdust pile treasure hunt; Heidi & Tom Davis and their crew for organizing the parade entries; Stephanie Clanton, Larry Meister, Paul Bartell, and Craig Swanson for the long day of flipping burgers in the Lions Cook Shack; Anna Bryngelson for helping to organize the first annual corn eating contest; the Potlatch Fire & EMT Crew for the water cannon keg fights; Les Schwab for tire repair on the cook shack and bleachers; the City of Genesee for allowing the use of their dunk tank; Andy Fry for setting up the PA system; Tia McKinney for keeping the pool open for the day; Latah Sanitation for hauling away the garbage; Tom, Brennan, and the City of Potlatch crew for all of the set up and take down in the days leading up to and after this incredible Potlatch Days Celebration!

We haven't forgotten the individuals and businesses who donated goods and services to the annual raffle either. Your generosity is overwhelming! Raffle ticket sales help us to finance this event from year-to-year, and this year's prize donors include: Forest Nursery, Codi Jo's Wagon Wheel, P.S. Espresso & More, Hatter Creek Treasures & More, Fiddler's Ridge Farm, Lucky 7 Saloon, Lock-N-Load Storage, FM Auto, Northwest Pharmacy, Four Star Supply – the Grange, Harvest Foods, U.S. Bank, Junction Lumber, Dad's Diner, Potlatch Pack, Potlatch Family Dental, Full Circle Ranch, Blackbird at the Depot, McLeod's Palouse Market, Palouse Welding, HooDoo Café, Latah Federal Credit Union, Earthworks, Village Center Cinemas (Moscow & Pullman), Buffalo Wild Wings, Gear N Cog, City of Potlatch, Idaho Rigging, Palouse Caboose Bar & Grill, Drifters Western Bar & Grill, Spence Hardware & Supply, G Man Trucking & Excavating, Bare Bones Taxidermy, Frank & Dorris Walker, Les Schwab, Nature Sticks, Nancy's Fitness, Busch Distributors, Atlas Sand & Gravel, Grammy Gs, the Potlatch Booster Club, Jones Truck and Implement, and Latah Sanitation.

If there is anyone that we have left off this list, please let us know. We would like to make sure to acknowledge all of the great support we received this year! It takes a community of giving people like we have in Potlatch to put on the Community Days celebration every year. You answered our call for help and we are grateful! We truly are proud to live in such an incredible community!

In case you missed the announcement of the parade winners from Potlatch Days: Youth/kids category: Potlatch Softball; Truck category: Atlas Sand & Gravel; Animal category: Cayuse Kids; Antique category: 1947 Lincoln, Clancy Potratz; Float category: Potlatch Pool; and Overall winner: Larson Family.

The Potlatch Lions Club will be taking a short break from meetings for the month of August, but you can still stop by and see us at the Lions Cook Shack at National Night Out on August 2 and Return to Riverside on August 6!

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com.

You can also email us at potlatchlionsclub@gmail.com.

Our Schools- July/August 2016

As I write this, it is hard for me to believe that it is mid-July already. One, because the weather hasn't really been summerlike as of yet (not that I am complaining) and two, it just seems like it has been only a few weeks ago that we let school out for the summer break. As it is, we are only five weeks away from the start of the new school year! So much to do, so much to do!!

As you can see, summer maintenance projects are fully underway. The next few weeks you will be seeing workers up on both the Elementary and Junior-Senior High roofs repairing/replacing insulation and new roof membranes. Our asphaltting project at the Elementary School and parking lot sealing project at the Junior-Senior High School will be starting the first week of August. Along with these major undertakings, we have our summer custodial crews doing a great job of freshening up our schools and giving them "deep" cleanings, getting them ready for the new school year.

Like the case in most summers, as we lose teaching staff and other personnel in the district, we spend a good deal of our time searching for their replacements. I'd like to thank the following people for their time and dedication working in our district and wish them the very best at their new jobs or new life directions that they are taking. They are:

Megan Cuellar - Elementary Teacher - 10 years with the District
Emily Spellman - Elementary Teacher - 9 years with the District
Laura Womack - Junior-Senior High Teacher/FCCLA Advisor - 7 years with the District
Sarah Wiggum - Elementary P.E. Teacher/Athletic Director - 3 years with the District
Kay Johnson - Elementary Paraprofessional - 9 years with the District
Tricia Johnson - Junior-Senior High Paraprofessional - 4 years with the District
Zac Curtis - District-Wide Tech Assistant - 2 years with the District
Lani Hadaller - Elementary Custodian - 1 year with the District

With the minus of seeing good people leave our district comes the plus of hiring new employees that will be taking the place of those that have left us. I am very excited about our new hires and know that they are going to admirably fill the "shoes" of those that they are taking the place of, as well as create their own "footprint" within our District. Several of the names you might recognize since they are former graduates from Potlatch High. Help me welcome them back, as well as welcome the newcomers to our District. They are:

Katie Ball - Elementary P.E. Teacher/Athletic Director
Ryan Ball - High School Science Teacher/Head Boys Basketball Coach
Kaye Gussenhoven - 1st Grade Teacher
Landon Gossack - 3rd Grade Teacher
Hannah Ridgeway - 4th Grade Teacher
Chanc Hiatt - District-Wide Tech Director
Heidi Carpenter - District-Wide Tech Assistant

There will be a few more to come, which I will report on next edition. Till then, have a great rest of the summer!

The rising cost of healthcare in the USA is obvious to anyone who uses the healthcare system, but what drives this increase in cost? One factor is the cost of medical education. There are currently 183 medical schools in the USA. The average cost of attendance per year is \$73,000, and the average indebtedness of medical school graduates is \$192,000 (range from \$75,000-\$295,000). The indebtedness figure does not include debts incurred for undergraduate college attendance prior to attending medical school. This huge debt load must be a significant factor on the minds of every medical school graduate, even before they begin their internships/residency training, and it may influence their choice of medical specialty.

Moscow resident, David Wade, seeks to establish an online business, the Princeton College of Medicine (PCM), in Princeton, ID. The purpose of the business will be to reduce the cost of medical education by offering online all of the coursework that is presented in lecture format during the first two years (the pre-clinical years) of a traditional medical education. This concept of online medical education is already utilized to some extent at medical schools, but it does not seem to have had any positive impact upon the cost of medical education, which is constantly increasing. However, all of the schools that offer partial online medical education also have large infrastructures to support. The idea behind PCM is to greatly reduce these infrastructure costs by offering all instruction online. PCM already exists in New Jersey, but the repressive tax policies of that State make development of small, startup companies extremely difficult. Consequently, I am seeking to relocate PCM to a more business-friendly environment such as Idaho.

For legal reasons, PCM must be located in a community named Princeton. What is needed now is a Princeton resident who is willing to serve as the Registered Agent for PCM, a job that requires only that the resident accept legal documents for PCM. Since the business will be entirely online, it is not expected that the Registered Agent will receive much postal mail for PCM; perhaps only a few mailings per year from the State of Idaho.

If you are interested in serving as the Registered Agent for PCM, or just desire additional information, please contact me preferably via e-mail (princetonmed@hotmail.com) or, alternatively, via postal mail (Princeton College of Medicine, P.O. Box 41, Princeton, ID 83857).

*Rather than leave an empty spot on this page, I thought I would do a
throwback from five years ago, August 2011. Sorry, Delfred!*

PAIN ON THE PALOUSE?

It's odd how someone's misfortunes can turn into hysterical amusement for others. Take for instance, Delfred Cone. Early the other morning, Del was at Sherry's Café drinking coffee and discussing the events of the day along with the rest of the guys. (Some people call it something else, like where boots are required). We were wondering why Del was walking with a slight limp and he proceeded to tell us about a recent unpleasant, painful and embarrassing experience he had while driving his tractor. It seems as though the metal seat had a crack in the front part of it and when he sat on the seat, the crack opened up. We all know that Delfred ain't no light weight and can understand how this phenomenon could happen.

Everything was fine until he tried to get up. Yep; you guessed it, the crack closed up! Now this is a "G" rated family friendly style newsletter so I'll try to choose my words carefully as I wish not to offend anybody, especially Delfred.

According to Del, a part of his –ahhh –anatomy became pinched each time he tried to stand up. He therefore had to quickly sit back down so that the crack would open to ease the pain. Each time he tried to get up, the pain became more severe. He tried to yell for help but all that would come out was a faint squeak that couldn't be heard over the noise of the tractor. By this time, we were all laughing so hard we never did hear how he finally got out of this peculiar situation. If he was looking for sympathy, he didn't get any from the guys, although Tim McKinney said he would weld the crack shut. Thanks for the laugh, Del, you made our day.

A big THANK YOU from the Potlatch Riverside Festival Association

The first annual Potlatch Country Music Festival, RETURN TO RIVERSIDE, is now in the history books. It proved to be a truly wonderful event with performances by Beargrass, Shiloh, Blue Highway, and the Hankers. An estimated crowd of some 500 people enjoyed historical displays featuring memorabilia from the old Riverside dance and performance hall including an actual stock car which raced there. Local resident Shirley Normington, who had driven the car back then, was present and was interviewed about her experience to the delight of everyone. Between acts, commentary was provided and interviews conducted by newscaster Evan Ellis, of KQQQ news radio who did an admirable job of keeping things moving. The day was rounded out with a great food court providing a variety of excellent summertime fare.

A brief overview might then be in order. First, Potlatch, Idaho is now again "on the map" with regard to live country music performances. Secondly, local residents have been re-awakened to the possibilities offered to them at Ponderosa Park. Finally, the Potlatch Riverside Festival Association has been created which is dedicated to the promotion of the performing arts in our area. At the most recent meeting of this organization it was voted unanimously to continue Return to Riverside into 2017, so look for us again next summer!

THANK YOU to all who attended and helped make this such a wonderful success. THANK YOU to the musicians who provided us with such enjoyment in gathering together and listening to you. THANK YOU also to our sponsors because without you the day simply wouldn't have been possible.

The Potlatch Library says thank you to the following people who gave a donation or did a program presentation for the Potlatch Library 2016 Summer Reading Program. Your generosity is greatly appreciated!

A Public Service Announcement from the Princeton College of Medicine:

Some current (2016-2017) facts and statistics on US medical education:

- (1) There are 183 (145 MD-granting and 38 DO-granting) medical colleges in the USA; 89 are private (57 MD and 32 DO) and 94 are public (88 MD and 6 DO).
- (2) The total number of students in medical school in 2016 are more than 108,332:
(DO: more than 25,760; MD: more than 82,572)
- (3) US medical students will spend almost \$8 billion to obtain their education in 2017.
- (4) Expenses (tuition, fees, and living expenses) per student in 2017 are shown below.

		TOTAL COSTS PER YEAR 2017	AVERAGE INDEBTEDNES S UPON GRADUATION
RANGE	HIGH	\$120,866	\$294,928
	LOW	\$31,100	\$2,808
AVERAGE		\$73,222	\$167,816
STANDARD DEVIATION		\$13,506	\$46,403
AVERAGE + STD. DEV.	(HIGH)	\$86,728	\$214,219
AVERAGE - STD. DEV.	(LOW)	\$59,716	\$121,413
MEDIAN		\$75,921	\$162,437
N		325	161

Despite the high cost of medical education in the USA, the number of medical education institutions is constantly increasing.

Our Schools- July/August 2016

New staff in the school district – Part II. As mentioned last month, several more staff were added on after last month's article so I'd like to introduce you to the newest members of the Potlatch School District. They are:

Cara Anderson-Wallen - Elementary Counselor
Sarah Carpenter - Elementary Paraprofessional
Melissa Farnham - Elementary Custodian
Jessica Hutchinson - Junior-Senior High Paraprofessional
Roy Knecht - Bus Driver

We are excited about having them become part of our school district "family"!

By the time you read this, we will have started our new school year. As always, our main goal is to provide opportunities for our students to learn and be successful in all their endeavors. To accomplish this, we have to have focus, goals, and strategies to get there. Earlier this August, Mrs. Riedinger, Mr. Haire, and I had the pleasure of attending a statewide conference in Boise for school administrators. It was a great opportunity to network with our peers and cohorts, as well as receive valuable training and information from outstanding educators. We also were able to listen to daily "keynote" speakers who shared wonderful messages of hope and inspiration with us. On our last day of the conference, we were blessed to hear the amazing story of Justin Skeesuck and Patrick Gray, best friends from their childhood to their adult lives, who made an incredible 500-mile journey/pilgrimage in the spring of 2012 across northern Spain. What made it incredible was that Justin has a degenerative neuromuscular disease (similar to ALS – "Lou Gehrig disease") that has made him wheelchair-bound. When Justin asked Patrick, his best friend of 40 years, to make the trek with him, Patrick, without hesitation, replied, "I'll push you."

For the next hour and a half Patrick and Justin shared their amazing, inspirational story. If you'd like to learn more of their incredible journey and story, please go to: illpushyou.com, you won't be disappointed. Their message of "community" and working together to achieve a common goal struck an idea for us as an administrative team. As a district, we are going to live by the mantra, "I'll Push You". Like Justin and Patrick, we will gain an understanding that each of the students that we serve and teach are not defined by their limitations. What defines them is what they are able to accomplish despite those limitations.

So begins our "journey" through a new school year. I hope that you take the journey with us and help us be successful in getting your children, our students, over the obstacles in their lives! We are committed to make this happen. Thank you for your support.

Scouts and Crew Put in Miles and Miles

When we last wrote in, we were preparing for this year's "50-miler" trip as well as Potlatch Days, and Summer Camp. The summer has run by quickly! Both are now behind us and we are getting ready for the new season.

This year's 50-miler was a backpacking trip in the Blue Mountains starting the day after Potlatch Days. A week of extreme downhills, uphill, and beauty. It was the first seriously long backpacking trip for many of the boys and girls. Summer Camp this year was at Camp Melita on Flathead Lake in Montana. Many merit badges were earned by the 10 boys who went, including super fun ones like Water Sports.

Right now, this writer needs to run as we are leaving for a campout in just a little bit. Let me finish by saying that Fall is a GREAT time to join Boy Scouts (boys 11-17) and Venture Crew (anyone, girls AND boys 14-20). Please, pass the word to any boys or girls who may be interested in joining the Troop or Crew – we'd love to have you!

For more information contact Jim at 208-875-8716 Meetings: Every Wednesday, 7:00 p.m. at the Potlatch VFW building on Pine St.

About those new signs...

For my Eagle Scout project, I wanted to bring something special to Potlatch; something that would represent this city for years to come. After brainstorming with my leaders, I decided to design and build two new "Welcome to Potlatch" signs. I picked this project because I knew the importance of having something that would represent this community and the mill that was once here. The timbers holding the signs are from cedar trees we cut locally and then hand-peeled. (Thank you Scouts and Venture Crew!). The tongue-and-groove planks that make up the signs themselves are fir. Although they are not made of the historically important white pine, they are still a symbol of what makes this community great.

I would like to thank all of the businesses and people who helped with the building of the "Welcome to Potlatch" signs Eagle Scout project: Mayor Brown, Floyd's Harvest Foods, P.S. Espresso and More, Bennett Lumber, Junction Lumber, JJ Building Supply, Potlatch Pack, Latah Federal Credit Union, Potlatch Lions Club, Forest Nursery, Wasankari Construction, FM Auto, North Palouse Vet Clinic, Dana Daily, and Home and Ranch Solar Energy.

I would also like to thank the Idaho Department of Transportation for working so quickly to get this project going. A big thank you to the City of Potlatch for giving their guidance and support throughout this project. And last I would like to thank all of the Scouts, Scout Leaders, Venture Crew, and my parents as well as the other parents who volunteered their time and hard work. And a very special thank you to my father who put a lot of time and effort into the routing and burning of the letters on the front of each sign. Without everyone's help, this project would not have been possible.

Nathan Lloyd, Potlatch Troop 358

Potlatch Food Pantry

Potlatch Food Pantry has been busy building a New Pantry across from the City Hall. We are hoping to open up business in this new building in October. So watch the CIA for current news.

We want to thank all the many people who have helped with the building of the New Pantry: Greg Unruh (Princeton Building) our Main Building Contractor, Melvin Taggart (Taggart Engineering), Mahlon Schmidt (Schmidt Projects), Heath Moore (M & S Electric), Bennett Lumber for the framing materials, Clint Anderson (G & C Growers) for hauling framing material and storage, Gary Anderson for all gravel and truck for Tom Carter to haul more than 30 dump truck loads of gravel and dirt, Tom Carter for his month of work to see that we were able to get the footings and slab poured, Pre-Mix for pumper trucks at no charge (4 times) and all concrete at a reduced rate, Atlas Sand and Gravel for 12 yards of concrete, City of Potlatch for siding sheeting, City of Potlatch for donation of land, and City of Potlatch waiving of water hook-up and sewer hook-up fees.

All Cash donations from: Palouse Cares, Latah County Commissioners, Gary Kendall, Allen Haas, Cabinets and More (Tom Carpenter), Latah Federal Credit Union, Hash Tree Company, Dennis Ownbey, Schweitzer Engineering, Harvest Foods Grocery, The Clothes Closet and Marc & Theresa Smith.

Grants awarded: Latah Community County Foundation, Avista Foundation, Laura Moore Cunningham Foundation Inc., and Emmett & Eleanor Reese (The Steel-Reese Foundation).

We have to say if we would not have had volunteers, this building would not have been able to open this year. All Volunteers of Labor: Tom Bender, who is the Building contractor under Princeton Building, Joan Bender, who is Tom's assistant, Van Thompson, who is working on the big door and the beams and misc., Les Syron, who is also volunteering wherever needed. Jimi Coleman, who has been very eager to help whenever he could. Tom, Van, Les and Jimi were the ones who raised the walls when they needed to come up. Cliff and Arlene Dudley and Lee Wilson helping with painting of soffit material. Cliff Dudley & Charlie Wilson along with the Football Team helped to smooth out the ground. All other volunteers; Jeff Baldwin and John Baldwin. We are not finished and are accepting volunteers for finish work. We want to warmly thank each and everyone for helping.

This community gives with open hearts and we are so thankful for this!

Fire EMT Appreciation Day

Fire EMT Appreciation Day will be Saturday, September 10, from 10:30 a.m. to 1:30 p.m. at the Scenic Six Park

Here we are with another year under our belts and again time to give a big (((THANK YOU))) to our Potlatch Volunteer FIRE/EMTS for their dedication and time they spend serving our community. These generous men and women who are on call 24/7 have touched the lives of many of us or our loved ones, protecting home from fire and much more. Regardless of the time of day or night you can count on them being there. Living in a small community like Potlatch and surrounding areas such as Onaway, Princeton or Harvard, most of the calls they respond to involves someone they know. Unfortunately, tragic occasions arise where they can do nothing. It takes a special type of person to deal with this and few are cut out for it. Why do they do it? Because they care. I've seen the pain, hurt and tears on more than one occasion in their eyes from these brave people after a sobering incident, but there's no quit in them. More times than not, they go beyond the call of duty. Stop and think. Could you do this job? I don't think I could but what I can do is tell them how much I appreciate what they are doing. Saying that, I hope there is a good turn out this year to give these wonderful people a pat on the back, a hug or just let them know they are appreciated. Keep in mind, they'll be there for you in a heartbeat.

We have around ten new members this year and the training they go through is intense, time consuming and the tests are very difficult to be able to serve on this team. Welcome aboard!

For further information or donations, call me, Dale Rose, aka "Geezer" at 208-875-8929.

As most of you know, George Lisher sponsors a potato soup contest at this event, but this year it will be CHILI! First place, \$100; 2nd place, \$50 and 3rd place, \$25. Some like it hot! The judging will be decided by People's Choice. Plan on having lunch as there is always a lot, along with hot dogs (furnished by Harvest Foods) burnt by our famous Chef George. There will be cold pop and water also donated by Dan at Harvest Foods. FREE!

Anyone wishing to set up a table for arts and crafts or farmer's market, please feel free to do so.

Potlatch Band Begins Again

OK, Band Members,

Get out that instrument, dust it off, and get to making
some sweet noise in preparation for fall rehearsals,
beginning October 27. We will meet every Thursday at 7:00
p.m. in the high school band room under the direction and
humor of Doug Richards.

There is a question afloat about the day of rehearsals, so
check out your calendars to see if Thursdays are our best
option. We will get a response from you on our first day of
practice. Remember that light refreshments are available
after rehearsing, so if you can volunteer, send an email to
Alice.

Any questions or suggestions? Please contact Alice or
Doug by email or cell phone. Alice's cell 206-422-2767,
Doug Richard's cell 208-596-8273. Expect another
notification about mid-October. See you in band!

November 8, 2016 “Independents” Day

This year millions of American voters learned that their **PARTY** doesn't care what they think or what they want.

Why I Am Running as an Independent

I have been a “registered Republican” for many years. I fully support the Idaho Republican Party platform and a Republican form of government as called for in the United States Constitution and the Idaho Constitution. Unfortunately many of our Republican legislators serving in Boise carry the “R” behind their name to get elected then go to Boise and vote like liberals, voting for more regulations, more taxes and less freedom and the PARTY keeps propping them up. My opponent, while she may be a very nice lady, is one of those so-called Republicans. One only has to look at the Idaho Freedom Index [IdahoFreedom.org] to see she is not defending mine or your freedoms. While I am running as an independent, I am the most conservative, liberty candidate running for the legislature in **District 5** and I pledge to uphold the Republican Party Platform, not the PARTY. I pledge to defend your freedoms, protect your rights, and work to make Idaho prosperous for all of us not just those who can afford a high priced lobbyist. I am not beholden to anyone but the People.

I WILL...

- PROTECT YOUR GUN RIGHTS
- PROTECT YOUR PROPERTY RIGHTS
- PROTECT YOUR PARENTAL RIGHTS
- PROTECT CHILDREN'S RIGHT TO LIFE
- PROTECT IDAHO'S SOVEREIGNTY
- FIGHT FOR PROPER EDUCATION FUNDING
- FIGHT FOR A STRONG, INDEPENDENT ECONOMY
- FIGHT CRONY CAPITALISM
- EXPOSE CORRUPTION, Regardless of Party
- UPHOLD THE US AND IDAHO CONSTITUTIONS
- UPHOLD THE IDAHO REPUBLICAN PARTY PLATFORM

I WILL NOT...

- RAISE YOUR TAXES
- ENGAGE IN BACK ROOM DEALS
- BETRAY OUR CONSERVATIVE IDEALS
- SELL OUT TO SPECIAL INTERESTS

FMBE The 2016 Latah County Fair is over and was a complete success! The F.M.B.E 4-H Club sends a **BIG THANK YOU** to our wonderful community, all of our buyers, 4H leaders, local businesses and our families who have generously supported us in our 4-H projects for the past year. We also thank the Potlatch 4H Boosters who either purchased animals or gave support money to all 71 Potlatch area 4H members who sold market animals. Edie Simons is our Club Leader and we want to thank her for all her time and dedication to 4H.

The F.M.B.E 4-H Club has 50 members who all completed at least one 4H project. After we sold animals, we were all invited to celebrate the year at the 4H and FFA Barn Dance. We had a great time and want to thank our families and the Potlatch Elementary School for supporting this event. We also want to thank all the community members and families who purchased Butter Braids to further support our 4H Club this year. This year was awesome and we look forward to the excitement and challenges of the next year. ~Kassi Schultz

Potlatch Food Pantry – New Building

We want to thank all who have been generous in their time and materials:

Joel and Jenni Emerson for soffit material; Jesse Lusby and Joe Harris for electrical work; Princeton Building for laying the roofing and being our General Contractor; M & S Electric for being our Electrical Contractor; Judy Comstock for donating her father's (Jerry Comstock) 8 ft. island counter; and Gary Lusby for helping with installation of sheetrock to the ceiling.

In addition to the generosity, the Clothes Closet has donated two handmade quilts for the Food Pantry to Raffle. Shelly Hammons is selling quilt tickets. Quilts are on display at City Hall.

A Community Cook Book is being constructed to be sold and proceeds given to the pantry. If interested in providing a treasured recipe, contact joleen.tietz@outlook.com

Scouts/Venture Crew Family Day 2016

The Potlatch Boy Scouts and Venture Crew held their annual Family Day/Court of Honor on September 11. Several people received recognition for advancement as well as for many merit badges that have been earned. Tristan Lloyd led the award portion of the day. We had a great turnout of family and friends!

Winston Comstock crossed over from Cub Scout Pack 317 to officially join Troop 358. Winston also advanced to Scout rank, Levi Carnahan to Second Class, and both Saul Boroff and Tyler Beller-Schilling to First Class. For the Venture Crew, Rowan Hites also advanced and received her Venturing Award.

Numerous Merit Badges were earned this summer and were also recognized. The areas included Archery, Emergency Preparedness, Environmental Science, Camping, Cooking, Small Boat Sailing, Movie Making and more. The Troop also won a golden spoon for doing the most work in the kitchen at Boy Scout Camp Melita.

We had our last summer reading program on August 19 and over 40 kids received prizes in the drawing. Congratulations to the 85 kids that met their summer reading goal by the final program!

- ◆ Storytime has started up again and we are going through the alphabet this year. Storytime is every Friday at 10:30 a.m. for attended children ages 2-6. We read books, sing songs, play games and have a craft. Come and join us!
- ◆ Bobby Kelly and Palouse Watercolor Socius did an excellent free watercolor class for children ages 5-12. We had 14 very attentive and creative artists take the class. She will be doing a one day beginner watercolor class for adults, Saturday, October 15, at the Latah County Fairgrounds. Forms are available at the library. The price is a very affordable \$10!
- ◆ Check out the new Latah County Library District website at www.latahlibrary.org. Click on our Digital Resources and browse our eBooks and audio books, digital magazines and streaming and downloadable music. All for free with your Latah County library card!
- ◆ Our second Fun with Math & Science Family Workshop will be held on October 24 at 5:30 p.m. We will provide mini pizzas for dinner then explore resources supporting early learning in STEM (Science, Technology, Engineering, and Math). This is for **preschool children**. Please call the library for more information and to sign-up. There is a limit of 10 families, so sign up soon!
- ◆ Come and play mah jongg at the library. Mah jongg group meets the second Thursday of the month at 6:30 p.m. Call the library to get your name on the contact list. If you don't know how to play and would like to observe, just pop in!
- ◆ Next Friends of the Potlatch Library will be October 6 at 7:00 p.m. at the library. For more information on any of the above programs, call the library during library hours at 208-875-1036.

September 2016 Little Logger Leaders

Mrs. Weaver's 5th Grade: Kyler Chambers is our Little Logger Leader for September. He started school ready to learn, showing attentiveness and responsibility to stay on task during class time. What a great start to the school year!

Mr. Gossack's 3rd Grade: Mayson Hielman always walks into class with a big smile and a spirit that is willing to help anyone. He works hard at his schoolwork, friendships and is a team leader. Mayson will do the right thing when no one is around.

Mr. Lam's 6th Grade: Isabella Ristine is our Little Logger Leader for the month of September. Isabella remains positive at all times, and approaches all work with enthusiasm and desire to do her best. She is quick to help others and completes all tasks in a timely manner. Way to go, Isabella! Keep up the great work.

Mrs. Dawes' 3rd Grade: Miley Reynolds is our September Little Logger Leader. Miley comes to school every day with a big smile and a can-do attitude. She is prompt with her homework. Miley is quick to ask for clarification if she does not understand. Miley is a great peace maker in our classroom community. She is a classroom leader! Way to Go, Miley!

Mrs. Myott's 1st Grade: Trey Magallon shows an enthusiasm for learning. He likes reading, writing, and math. He is a friend to his classmates and always does his best work.

Ms. Montgomery's /Ms. Hoff's 2nd Grade: Our Little Logger Leader for September is **Mina Lovell**. Mina is an excellent citizen in our classroom. Mina listens and follows directions and is always kind and helpful to others. She is a leader in the way she demonstrates these skills. Keep up the good work!

Mrs. Gussenhoven's 1st Grade: Jordan Lusby is our Little Logger Leader for the month of September. This month our school virtue is enthusiasm. Jordan shows a lot of enthusiasm for learning each and every day. She always has a smile on her face and is eager to answer questions or to help any of her classmates at any time. I look forward to see her smiling face each day. Congratulations, Jordan!

Mrs. Carlson's 5th Grade: Our first Little Logger Leader is **Madison Merrill**. Madison is a leader because she makes good choices, has a good attitude, and is polite to those around her. She tries to do her best and works hard each day to do so. Way to go, Madison!

Mrs. Payne's 2nd Grade: Matt Ristine is our Little Logger Leader for the month of September! Matt is a kind and hardworking student. He comes in everyday ready to learn, and is always helpful to his classmates. Matt is an active participant in class discussions as well. Keep up the good work, Matt!

Ms. Ridgeway's 4th Grade: Our Little Logger Leader for the month of September is **Cameron McGreal**. Cameron is a kind, and smart kid who likes to have fun. In the classroom he continuously works hard, participates, and isn't afraid to try new things. He treats his fellow classmates, as well as teachers with respect and is always ready to help those in need. Great job, Camo! Keep up the good work!

Mr. Christianson's 6th Grade: Being a Little Logger Leader can mean many things like being respectful, responsible, honest and safe; the Little Logger Leader for September not only does those but also exudes and symbolizes the desire to help themselves and others as well. Every day, **Brooklyn Peterson** comes into the class eager to do her best and wears a smile during her work time even if the work looks daunting. She helps create a safe learning environment in the classroom which helps her classmates and herself. Whenever someone needs help, Brooklyn is one of the first to extend a helping hand. Keep up the great work!

Mrs. Amos' 4th Grade: Briana Peterson is my LLL for this month. She cares about the quality of her work. Briana is helpful and cheerful. I am so glad to have her for a positive influence in our classroom.

Mrs. Pfaff's Kindergartens: Busy Bees: Millie Montgomery is a kind student who is respectful to her teachers and classmates. Millie is eager to learn and can always be counted on to know what we are doing. I enjoy her happy smile each morning!

Early Birds: Nicholas Kilborn is a respectful student who is a willing helper and kind to everyone. Nicholas comes to class ready to learn and I can count on him to lend a hand and follow directions. Nicholas is a great example to his classmates!

OUR SCHOOLS - September/October 2016

With the new school year underway and our children back in school, I think it is very important that we start the year on a great note. As always, I ask parents and community members alike to support the school districts in its endeavors to educate our students, as well as provide a learning environment that is conducive to the success of our students' growth.

Throughout the years, I've shared thoughts on increased costs to the district, possible tax increases, facilities changes, bonds, levies, and such. But what I would like to share now are ways that you can help our schools without giving a penny, as parents, guardians, and families, in getting the school year off to a great start by utilizing ten easy "tricks-of-the-trade". I'd like to take credit for these thoughts and strategies but you can actually find these at www.teachmama.com from August 31, 2012, entitled "[How Every Family Can Start the School Year Off Right](#)". Some of these may seem to be common sense items but it is amazing how we may forget how important these can be. These strategies are:

1. Make early and frequent contact with your child's teacher or teachers.
2. Get to know your child or children's friends.
3. As difficult as it is, eat at least two dinners together, as a family, each week.
4. Make a home for all student items when your child or children come home from school.
5. If you can, create a structured time and place for homework at your home.
6. Become a familiar face at the schools.
7. Ask your children questions and listen to their answers carefully.
8. Get your kids involved in at least one extra-curricular activity offered by the school.
9. Meet other parents.
10. Be thankful. Be supportive. Be grateful.

As the year continues to roll out, I hope that you can use these ten strategies and that you find them useful. Please always remember, the school can make a difference in a child's life but the most significant person in a child's life is you, the parent.

Jeff Cirka, Superintendent

Weight Loss Support Group meetings are held at the Palouse Federated Church, 635 North Bridge Street, Palouse, Washington.

The group meets on Mondays (not on holidays) with weigh-ins from 6:15 - 6:45 p.m. and the meeting starts at 7:00 p.m. For more information, please call Ruth Sweeney 208-875-0317 or Megan Cuellar, 509-330-0478 (please leave a message).

Fit and Fall Proof™

Fit and Fall Proof™ meets on Tuesday and Friday mornings from 9:00 to 10:00 a.m. in the Princeton Church of the Nazarene gym. The class is open to anyone of any age. Our main emphasis is on keeping our older citizens healthy and active and strengthening them against falls. The best news is that the class is totally FREE! Invite your friends and come prepared to have a fun. See your friends or make new ones, and improve your balance and mobility. If you don't think exercising with us is fun, just ask Bill! For more information, call Carol at 208-669-1949.

Potlatch Senior Citizens Meal Site

Senior citizen meals are at the Rebekah Hall, 645 Pine Street, Potlatch, every Tuesday and Friday. Dinner is served at 12:00 noon. Doors usually open by 9:30 a.m., so come early and visit with neighbors and friends. The cost is \$3.00 for seniors with adjusted pricing for non-seniors. Upcoming menus are at the meal site or call 208-875-1071 on meal days to find out what is being served.

Scouting for Food
Sat. Nov. 12

Help us help the Potlatch Food Bank!

Potlatch's Boy Scout Troop 358,
Venture Crew 360, & Cub Scout Pack 317
will work all morning to collect food donations
for the Potlatch Food Bank.

Door-to-door collection
from the "Y" to Harvard starting at 9am

We will also have a drop-box at
Harvest Foods for those we miss

**All donations will go directly to
the Potlatch Food Bank.**

Presented by UIC

**November: Scouting for Food!
(plus other Scout/Crew news)**

November means "Scouting for Food" for Potlatch Boy Scout Troop 358, Venture Crew 360 and Cub Scout Pack 317. This year it will be Saturday, November 12, beginning at 9:00 a.m. We will join forces and go door-to-door collecting for food and household supplies to stock the Potlatch Food Bank. The groups will cover the Potlatch, Onaway, Hampton, Princeton and Harvard areas from the "Y" to Harvard. If you are outside this area and/or we miss you at home, there is also a collection box at Harvest Foods.

Over the past several weeks, we have had several Extra Fun events along with our regular Wednesday meetings. First a big THANK YOU to the Potlatch VFW who spearheaded a new Fall Camporee event. This is focused on responsible gun use and included target practice and a shooting competition. Congratulations to Rowan Hites, 1st Place Overall, and Seth Carnahan, 2nd Place Overall for the whole District!

We also held our annual Halloween party which was great fun for all, including parents and siblings. Games, food, and contests galore! We do hope that the VFW didn't find too many pumpkin seeds that might have escaped our clean-up! A big Thank You to all the adults who made it possible!

November also means Happy Thanksgiving - to all of you from all of us. Oh, and the very next day, you'll find us at our annual Christmas tree lot. My, oh my, very hard to believe that time of year is coming up so quickly! Happy Thanksgiving!

'The Sharing Tree' is an organization formed to help low income families have a happier Christmas. It is staffed by volunteers and funded by community donations. All gifts you receive through this program are donated by people in our surrounding areas. 'Sharing Tree' helps stay in contact with other agencies to make sure everyone is helped, but that no individual family receives duplicate help.

IF YOU WANT TO APPLY FOR THE SHARING TREE:

Program is limited to children living in your home, in the Potlatch School District, age 18 and under.

Because of funding we can only serve a limited number of families. **If your children receive gifts from other sources at Christmas, we ask that you do not fill out an application so others who need help can benefit. This program is intended for children who receive very little or nothing on Christmas morning.**

Applications will be filled on a first come, first served basis.

Applications may be picked up and returned to the Potlatch Elementary School Office.

Applications are due no later than **November 14th.**

Please complete both sides of the application with **ALL** requested information being sure writing is legible. Sizes should include (T) Toddler, (B) Boys, (G) Girls, (J) Juniors, (M) Mens, or (W) Womens. In addition to requested gifts, each child will receive hat or scarf, gloves and a game. We make every effort to provide requested items. We cannot provide expensive electronic items, designer clothing or items not found in this area.

Pick up of gifts will be in the KAMP room at Potlatch Elementary on December 21st after the School winter program.

Holiday Food Baskets

Potlatch Pastors Association is now accepting donations for the Potlatch Community Christmas Holiday Food Baskets. When you buy your holiday turkey, pick up an extra one for the food baskets, or make a donation at U.S. Bank, Potlatch Branch in the Pastors Holiday Food Bank Account.

A challenge to all business owners: Help us out, please!! When you order your turkeys for your employees, order an extra one for the baskets and help make Christmas special for a family in need in our community. Last year a total of 72 families, which included 135 children, were requested and filled thanks to the generosity of our community. Our heartfelt thanks go out to all who donated last year.

The request forms will be available November 15, 2016. The deadline for the completed forms will be November 30, 2016. Forms cannot be accepted after November 30, 2016. Drop off the completed forms at Potlatch City Hall, Potlatch Food Bank or mail them to Debi Swinney, P.O. Box 265, Potlatch, ID 83855.

Thank you in advance for your generous support. Without the support of our area businesses, as well as individual donations, these baskets would be impossible to fill. Baskets can be picked up by families on December 20, 2016 from 4:30-6:30 p.m. at the Potlatch Fire Station.

Call for Artists: City Hall Wisescape® Interpretive Sign

The City of Moscow is seeking designs for a permanent public interpretive sign at the Wisescape® demonstration garden located at Moscow City Hall. The sign is meant to educate the community about the benefits of the water efficient landscaping in the demonstration garden.

The final design must blend with the theme of the garden, complement the historic building, be waterproof, able to withstand the Palouse weather, and preferable have a table top design for easy viewing. As the sign has two main elements, the sign stand and table top art, artists can work as a team. Installation of the interpretive sign must be completed by the artist by May 31, 2017 and must not damage the existing vegetation.

The selected artist(s) will be paid a \$3500 stipend for the design, construction, and installation.

All entries must be received by Monday, November 14, 2016 by 5:00 p.m.

Please note the following:

1. The sign must meet all the specifications
2. A panel of City of Moscow staff will select the winning design.
3. The installation of the selected design will be completed by May 31, 2017.
4. The winning artist will be required to be at the ribbon cutting of the sign at City Hall for Artwalk 2017.
5. Artists will be notified of the selection by Friday, November 18, 2016.

Submissions must include a mounted design and a digital file:

1. Artwork is to be flush mounted on black foam core with a completed application firmly attached to the back. Mounted artwork must be 20 x 30 inches.
2. Submit your final design as either a PDF or JPEG.

The winning design becomes the property of the City of Moscow and the artist will be required to sign an Art Purchase Agreement transferring all rights to the City of Moscow. The selected artist(s) will be paid a \$3500 stipend for the design, construction, and installation.

Applications are available for pick-up at Moscow City Hall or can be downloaded online at:

<http://www.ci.moscow.id.us/arts/Pages/call-to-artists.aspx>

The City of Potlatch After-School program is in full swing. We enjoyed our first Family Engagement event where students cooked a fabulous meal for their families and our first Community Engagement event where we partnered with the 4-H grade school program to celebrate Lights On After-School. As we transition from fall football and volleyball, we have new students joining our program every week. We focus on mentoring, tutoring, leadership, STEM and much more. We have talented artists, musicians, cooks and future leaders right here in our very own community. We look forward to our next Family Engagement event, *Parent Involvement Day, Wednesday, November 16*. We have been organizing a competitive food drive and spent time as “*Leaf Bandits*” throughout the city. Students are eager to start working on their float for the Potlatch Lighted Christmas Parade on December 10.

OUR SCHOOLS - October/November

Over the past several years, as a district, we have strived to provide information to our community in a consistent manner and through various modes. Whether it was through newsletters, monthly articles in the CIA, news reports on local radio stations or area newspapers, and our own district website, information has been shared. Recently however, we have found that our website has been extremely lacking in providing complete information and was not very user-friendly. We hope that we have rectified that by creating a new website that we can be very proud of and one that we feel that the community can use readily and easily. You can locate the new, updated website at: www.psd285.org.

Highlights and Features of the site are:

- ◆ **Scrolling News Alerts & Important Upcoming Events**
- ◆ **Monthly Menus**
- ◆ **School Calendar**
- ◆ **Quick Links to :** Parent Forms, Teacher Web pages, and Family Link
- ◆ **Hot Buttons for:** Employment Opportunities within the District and Student, Parent, and Staff Resources.
- ◆ **Also Available:** Application for your iPhone or Android to get current School District News.

We recognized that for many of our stakeholders, it was sometimes difficult to locate public information and various records off of our earlier website. We hope that we have addressed this issue and now provide quick and easy access to these information pieces. On the top of the webpage, you will see a Menu Bar with several listings. Go to **About 285** and click on it. A drop-down menu will appear. Go to **Public Records** and click on it. This will open various records of import to the community and the District, including:

- ◆ **District Records**
- ◆ **Board Meeting Agendas**
- ◆ **Board Meeting Minutes**
- ◆ **District Policy Manual**
- ◆ **District Strategic Plan**

Like most web pages or websites, ours is a “work in progress”. We will be adding new information constantly. We will be updating information when we can and as frequently as possible. Please bear with us as we work out some of the glitches to provide you with a top-notch website. Please take the opportunity to peruse the site and review it. As always, we value your opinion and your comments. We want to know what you like about the site, what you don’t like about the site, what you’d like to see more of, and what you might like to see us add to our site. Please let us know.

My thanks to Wendy Mandville, our district’s former Tech Coordinator, and to Theresa Carter, our current Webmaster, for the time and work spent in bringing the new site to fruition!

Little Logger Leaders October 2016

Mrs. Amos' Fourth Grade: Norah Wise is my choice for LLL this month. She demonstrates a good work ethic. She does her best work and gets it in on time. Norah is also friendly and helpful to others.

Mr. Gossack's Third Grade: Shy Lusco is this month's Little Logger Leader. I appreciate her on task, hardworking and joyful attitude in my class. Shy is always the first to volunteer her time or items to help another classmate succeed. Shy Lusco is exceptional about encouraging her classmates and being a friend to all those around her.

Mrs. Weaver's Fifth Grade: Savanna Moore is our October's Little Logger Leader. She is enthusiastic about learning which is evident in her participation in class discussions and as she reads aloud with great expression. Savanna is motivated to do her best, with a great attitude.

Ms. Montgomery's & Ms. Hoff's Second Grade: Kyanna Winther is the LLL for the month of October. Kyanna always follows directions and is an excellent role model for the rest of the class. Standing in line quietly and listening intently to the teacher are just two of the many excellent behaviors Kyanna exhibits in the classroom. Kyanna is an excellent leader showing her classmates exactly what the teacher expects of the class as a whole.

Mrs. Dawes' Third Grade: Avery Smith is our October Little Logger Leader. Avery comes to school in a good mood and ready to work. He works hard to understand and improve in all areas of the third grade curriculum. Avery is caring and considerate of his classmates and all people in our school. I appreciate his compassion for others. Nice work, Avery!

Mrs. Myott's First Grade: Macy Spinelli takes her learning very seriously. She listens, follows directions, and always gives her best efforts towards all her subjects. Macy's quiet enthusiasm and positive attitude are shown in her work and her relationships with her classmates. Thanks for being Mrs. Myott's Little Logger Leader for October.

Mr. Lam's Sixth Grade: Tayva McKinney is our Little Logger Leader for the month. Tayva remains positive even when frustrated and always seeks to do her best work. She is quick to help in the classroom and often helps others less fortunate in subjects. Keep up the good work.

Mrs. Payne's Second Grade: Cole Comstock is our Little Logger Leader for the month of October! Cole is an extremely hard worker and comes to school every day with a positive attitude. Cole has adopted a growth mind-set outlook and knows that he can achieve anything he sets his mind to. I have already seen this positivity help Cole to improve his reading and reasoning skills this year. Great job, Cole!

Mrs. Carlson's Fifth Grade: Chelsea Schatz is a leader because she spends her time on things that are most important. Chelsea prioritizes her assignments, is a hard worker, and always makes sure to turn in her best work. She leads by example and treats others with kindness and respect.

Mrs. Pfaff's Kindergartens: Busy Bees: Seth Nansel comes to class ready to learn. He is helpful to his classmates and teachers and happily assists others. I am pleased with his overall attitude at school and his eagerness to learn. Keep up the great work, Seth!

Early Birds: Haley Coleman is a respectful student who is always willing to help others. She comes to class with a positive attitude and an eagerness to learn. I appreciate how she listens attentively in class and always knows what is going on. Keep up the great work, Haley!

Mrs. Gussenhoven's First Grade: Mrs. Gussenhoven's Little Logger for this month is **Greyson Armknecht**. Greyson is very helpful and kind to his peers. He comes to class ready to learn and is always ready to answer a question. I appreciate Greyson's positive attitude and his willingness to help his classmates. Congratulations, Greyson!

Mr. Christianson's Sixth Grade: My October LLL is **Chet Simons**. My sixth graders are making it hard for me to pick just one student to be the Little Logger Leader. As we work our way into October and quarter one coming to a close, I look to find a student who personifies our First Quarter Virtue, Enthusiasm. Having the right attitude can go a long way, whether we are trying something new or if something doesn't come easy, and that is why Chet Simons is my classroom's Little Logger Leader. He comes in everyday with an eagerness to learn, a positive attitude, and an infectious smile. Everyone he talks to gets a bad case of the smiles. He is actively making sure that everyone has a good day as well and laughs at least once. Keep up the great work, Chet.

Ms. Ridgeway's Fourth Grade: Our little logger leader for October is **Everett Lovell**. Everett comes into class every morning with a positive attitude, ready to learn. He is often sharing inspirational quotes and ideas with his classmates, and strives to help make our classroom a positive environment. Thank you, Everett!

Potlatch Lion's Den

Welcome to the Lion's Den. Your friendly, local Lions Club is getting geared up for the holidays.

Would you like to show your community support? For a small donation of \$10, you can purchase a board with your name on it (up to 26 letters) to hang on the Potlatch Lions Name Board. From mid-November through January, your name will be displayed with all of our other community supporters at the Name Board exhibit on Highway 6 (across the street from the Potlatch Medical Clinic). Proceeds from the display help to fund holiday events and activities for the community. For more information, please contact Frank Walker at 208-301-0773.

The Potlatch Lions Club is always on the lookout for more civic-minded individuals to join our group. If you like to help out around the community, we'd love to have you as a member of the Club. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions.

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.

We've had a lot of fun at AWANA so far! If your kids haven't signed up yet, we would love to have them join us.

It's a great place to get to know kids from the area, learn God's word and have fun.

We are preparing for the AWANA Christmas Store. If you have new or gently used items you would like to donate you can call Lisa or drop them off at the Princeton Church of the Nazarene.

Kids' Bible Study

Kids' Bible Study meets from 6:00-8:00 p.m. at the Lutheran-Presbyterian Parish Building at 305 4th Street in Potlatch. We welcome all kids from 4th-8th grade who want to come and play, snack and enjoy being part of a group. We study the Bible together, learning about Jesus and His plan for our lives. We try to encourage a kind, respectful, and joyful environment throughout.

If you have any questions or want to help, please call Suzanne Veith 208-875-1551, Jo Larson 208-669-4949, or Wanda Felton 208-875-1799.

Sunday School for all ages!

LP Parish offers Sunday School for all ages 4 to 102. It starts at 9:00 am-ish at the Lutheran Presbyterian Parish Building located at 305 4th Street in Potlatch. We gather, sing, and learn but most of all have FUN!

Potlatch Boy Scouts & Venture Crew - Thankful for Our Community!

Wow, we have an amazing community! This year's *Scouting for Food* surpassed last year's record for the amount donated to help the Potlatch Food Bank. We finished up around noon and had reached 1925 lbs. That is darn close to the ONE TON mark! Thank you, Potlatch and surrounding areas, we are impressed and proud!

In December, our big community service event will be the annual *Flag Retirement Ceremony* with the VFW at Scenic Six immediately following the *Lighted Christmas Parade*. Come join us!

We will also have our Christmas Tree lot at Junction Lumber on Saturdays, from 8am to 5pm, Sundays 10am to 4pm, along with hot cocoa and a warm fire. During the week we'll be there 4-6pm, and the folks at Junction Lumber will collect money earlier in the day. Our trees will be of many shapes and sizes. We cut fresh trees every weekend! Suggested donation \$12/tree.

We wish you all a Merry Christmas and Happy New Year!

Potlatch Food Pantry

A BIG thank you to Potlatch area scouts and their Scouting for Food drive which awarded the Potlatch Food Pantry with 1925 pounds of food. We want to thank these young people and all in the area for filling the new pantry shelves. What a blessing!

Our new pantry hours are December 8 from 10:00 a.m. to 12:00 noon and 6:00 to 8:00 p.m. December 22 from 10:00 a.m. to 12:00 noon and 6:00 to 8:00 p.m. December 10, we are having a Grand Opening at our new building from 3:00 to 4:00 p.m. with chili and crackers. Come and look inside our new building.

FMBE The new year for 4-H has begun and we are off to a fast start. We held our first meeting and officers were elected. Congratulations to our new officers: President: Austin Comstock, Vice President: Brenna Larson, Treasurer/Secretary: Hannah Barnes, Reporter: Kassi Schultz, and Sgt. of Arms: Levi Lusby. We also welcomed 5 new members to our club.

The club completed our first community service doing highway pick up. We were sure glad that the weather was nice this year! In December, all 4-H members are invited to help volunteer at the 4-H Booster's Kids Christmas Store on December 10, 10:00 a.m.-12:00 noon at the Potlatch Landing.

WE ARE EXCITED TO BE SELLING HOT COCOA FOR THE SHARING TREE DURING THE LIGHTED CHRISTMAS PARADE! PLEASE COME AND SUPPORT US IN THIS GREAT FUNDRAISER. ALL PROCEEDS WILL GO TO PURCHASING ITEMS FOR POTLATCH AREA KIDS FOR THE SHARING TREE!

*Happy Holidays,
~Kassi Schultz*

Counselor's Corner

November wraps up a very busy month in the counseling department. The 2nd annual Community College and Career night went well. The key note speaker was from Advanced Opportunities, which is the state funded program to pay for college credits. I want to thank all 17 of the vendors who joined us. We look forward to adding additional vendors for our 2017 event.

IDFY group has been busy getting the school year off to a start. In late October, eight students traveled to Cascade to participate in a chapter convention. Our school won the Strengths in Numbers award as we took the largest group of students. The students' yearly calendar features events such as Ugly Sweater Party, Swim Night, Rock Climbing, Laser Tag, and a Neon Dance for the student body in May.

IDFY Change for Change: If you haven't heard yet, our students are doing a community service project. Change for Change is a Pay It Forward campaign to pay off layaway accounts with the coins you have lying around the house. Wal-Mart, in Moscow, has agreed to find Potlatch families who have a balance on their layaway. IDFY members will then contact the families and let them know their Christmas gifts are ready to be picked up. The 7-12th-grade classes are in a competition to collect as much change between now and December 8. Whichever class collects the most money will have a root beer float party hosted by IDFY. Thank you for helping the students learn the importance of Paying It Forward.

Honor Society is excited to induct new members this year and celebrate our graduating seniors. Honor Society gives an opportunity to honor those students who go above and beyond at school and in their community while maintaining a 3.5 GPA or higher. I would like to take a moment and recognize our seniors: Rylee Chambers, Devin Richards, Brice Leef, Brookelyn Carpenter, Zack Dockins, Cassie Andres, Mackenzie Judson, Libby Sheffler, Trina Peck, Bryson Potter, and Kendall Guettinger. Keep up the good work!

Potlatch Lion's Den

Welcome to the Lion's Den. We would like to kick off the month of December by saying a huge THANK YOU to all our wonderful community members who purchased a board for the Potlatch Lions Club Name Board Display on Highway 6, across from the Potlatch Medical Clinic. Club members spent a Saturday morning putting up the display, and we would love it if you stopped by to take a look and to say "thank you" to any of the individuals who donated to help out this great community!

If you haven't purchased a name board, but would like to, don't worry you still have time! Each name board is \$10/year, and proceeds go to help fund various Christmas activities that the Lions Club participates in around the community. For more information about purchasing a name board, please contact Frank Walker at 208-301-0773.

The Lions Club is going to be busy this year at the annual Company Town Christmas event in Potlatch on December 10. We will be helping to hand out cookies and cocoa with Santa from 1:00-4:00 p.m. at the Potlatch Landing. Be sure to stop by, say hello, and check with Santa to see if you are on the naughty or nice list! There will also be photos by Gotcha! Photography and wagon rides around town. And look for our parade float during the Lighted Christmas Parade later in the day.

The Potlatch Lions Club is always on the lookout for more civic-minded individuals to join our group. If you like to help out around the community, we'd love to have you as a member of the Club. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions.

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.

**Santa is coming to the
Potlatch Landing Community Center on
Saturday, December 10th from 1:00—4:00 pm!**

The Landing and the Potlatch Lion's Club would like you to join us for hot cocoa, cookies and a visit with Santa!
Take a wagon ride through town thanks to Don Nagle, Brandon Moore and the Mike Nagle families!
Gotcha! Photography will be capturing the special moments on film!

TRAIN ENGINEER
SCHOOL
For Ages 6 - 17**

At the

Washington, Idaho & Montana Railway
Potlatch Depot

December 10, 2016 From 10:00 a.m. to 2:00 p.m.

Only the finest Engineers can run the Polar Express to the North Pole. To qualify for that honor, you must pass three different training exercises:

1. Hostler
2. Freight service
3. Passenger service

Engineers that complete all three levels will earn the Golden Card proclaiming them—**Engineer of the Polar Express!**

All participants will be given a child's adjustable White Pine Route Engineer's Hat. Those who successfully complete all three railroad train tasks on three Lionel layouts will earn a personalized, laminated Golden Engineer of the Polar Express card!

This card entitles them to operate the Polar Express layout at the Potlatch Depot.

The Polar Express will be available Thursday—Saturday from 10:00 am to 3:00 pm until February 17, 2017 (or during Blackbird operating hours).

To learn more about the Polar Express Engineer School, pick up a brochure from BlackBird at the Depot between 10:00 am and 3:00 pm Thursday thru Saturday.

OUR SCHOOLS November/December

Goodbye November – hello December! By the time this comes to print, Thanksgiving will have rushed on by and we will be gearing up for the Christmas holidays. As always, at this time of year, I want to take the time to thank everyone, parents, families, businesses, and community members, who have supported the school district this past school year. You are integral to our district's success and to the success of all of our students. Thank you so very much. We wish you all the joy and happiness that the holiday seasons can bring!

Since the passing of our original school bond failed this past March at the polls, we have worked at gathering further information to share with you that we hope may answer several of the unanswered questions that we heard from the community at that time. The Board of Trustees and the school administration are continuing our pursuit of a new facility to replace our current Junior-Senior High School and are hoping that we will be able to run another Bond Levy in the springtime. But we need much more support from our community. In order to help us "gauge" where folks are at with the process, a survey has been prepared that can provide us input and feedback that we can use to address some of those unanswered questions.

So with that, I would like to request your assistance by asking you to complete the 10-question survey that we have prepared. It is completely anonymous and can be completed one of two ways. First, you can locate the survey on our website at www.psd285.org and complete it online. Scroll down on the front page to District News and you will find it there. You can also locate it on our website app on your smart phone through Schoolpointe. If you are not able to go online and take the survey, you can pick up a paper copy of the survey form at or request a copy of the form to be mailed to you directly from the District Office. We would be glad to send that to you. Whether completed online or on paper, the

Little Logger Leader November 2016

Mrs. Weaver's Fifth Grade: Jaxon Vowels is our Little Logger Leader for November. He is studious and diligent about staying on task. He has a bright smile that he shares with everyone and is considerate of those around him. He is an excellent team player in our classroom!

Mr. Lam's Sixth Grade: Our little logger leader for the month of November is **Blaze Hepburn**. Blaze has demonstrated patience and kindness when walking his little sister to school. I have noticed how nice he is with his little sister and other small children on several occasions. Even though he would like to portray a tough outer shell, I see his heart melt when dealing with his little sister and her small friends. Keep up the great work and continue to be nice and kind to all of the smaller children.

Mrs. Dawes Third Grade: Zoe Lanham is our November Little Logger Leader. Zoe is kind, giving, caring, and always willing to share. She is a hard-working, quiet leader. She is quick to ask for clarification if she does not understand. Zoe is a pleasure to teach. She has many friends and is a great classmate! Great Job, Zoe!

Mr. Christianson's Sixth Grade: November LLL is **Lyndze Cessnun**. With it being November, I am looking for someone to be the Little Logger Leader who personifies the second quarter virtue and compassion. Though quiet, Lyndze Cessnun doesn't shy away from anyone who is hurt and shows enormous amounts of compassion for them, both inside and outside of the classroom. From what I have seen, she always tries to see things from different perspectives and understand someone's pain; knowing the difference between sympathy and empathy. You can always count on her to be there for her classmates. Keep up the great work Lyndze!

Ms. Ridgeway's Fourth Grade: Tucker Anderson is our little logger leader for the month of November. His positive attitude and friendly personality are a great addition to our fourth grade class. He comes ready to learn every day and continues to meet his goals through hard work and perseverance. Great work Tucker!

Mrs. Carlson's Fifth Grade: Jack Clark is a student who leads by example. He enjoys helping those around him. When working with a partner or small group, Jack can explain a topic or solution without giving away the answers. He is also an active listener, showing that he values what his peers are saying.

Mrs. Myott's First Grade: Jaidalyn Andres is a student who cares about her classmates. She is helpful and interested in the learning of others. I can depend on her to listen, follow instructions, and do her best every day. She is a leader in our classroom and wants everyone to do their best as well. Jaidalyn loves reading and can always be seen with a book. Thank you, Jaidalyn!

Mr. Gossack's Third Grade: This month our Little Logger Leader is **Jennifer Dirks**. Jennifer is always on task and always does her best. Because of her hard work she excels in her studies. Jennifer encourages her classmates to be on task and to do the right thing. I appreciate her smiling face in my classroom. Good work, Jennifer!

Mrs. Pfaff's Kindergartens: Busy Bees: Cameran Lynas - Cameran is a respectful student to her teachers and classmates. Cameran comes to school eager and ready to learn. She happily helps others and always has a positive attitude at school. Cameran is a pleasure to have in the classroom!

Early Birds: Allan Trautman - Allan is respectful to teachers and has worked hard at respecting his classmates. Allen always does his best in the classroom with a hard working attitude. I enjoy his happy smile and positive attitude in the classroom!

Mrs. Amos's Fourth Grade: Waylan Marshall is Mrs. Amos's fourth grade class's pick for Little Logger Leader. Waylan is a very enthusiastic learner. He comes into class with such a positive attitude toward whatever subject area is being taught. He has mastered all the multiplication facts we have worked on so far and his work is always neat and easily read.

Mrs. Payne's Second Grade: Tayla Millheim is our Little Logger Leader for the month of November! Tayla has the most positive and infectious attitude! She always finds the good in everything, which really brightens our classroom atmosphere. When completing work Tayla always has very in depth and thoughtful responses. I look forward to her input during class discussions! She is always excited to work with others, and can lead a group with a strong and silent confidence. Way to go, Tayla!

Mrs. Gussenhoven's First Grade: Vanessa Klimko is Mrs. Gussenhoven's Little Logger Leader for this month. Vanessa participates well in class and works very hard on her class assignments. She comes to school every day with a good attitude and is ready to help when her classmates need it. Congratulations, Vanessa!

Mrs. Montgomery's and Ms. Hoff's Second Grade: Our LLL for the month of November is **Landan Lusby**. Landan has proven himself to be an excellent citizen in the classroom. Keeping his hands to himself, Landan knows what it means to set a good example for the class. Landan is very helpful to those in need demonstrating true Logger Leadership skills.
