Save Fuel Shop Local!

Thank You From the Princeton Community Club

As the saying goes, "many hands make light work". Myriad varied talents came together to complete the picture of a rich community. Rich in experience, rich in abilities, rich in the desire to contribute to the combined fellowship which unites us.

A heartfelt Thank You to everyone in the community who came together to make this year's Spring Dinner and Quilt Raffle an outstanding success.

Thank you volunteers, for your help with ticket sales, shopping, cooking, serving, washing dishes, and clean up.

The proceeds from this fund raiser will go towards repairing our roof on the club house. Congratulations to Denny Chandler, winner of the Raffle Quilt.

With gratitude to all,
Princeton Community Ladies Club

Spring is arriving on the Palouse! With the warmer weather comes a large rise in creepy, crawly parasite populations that can infect both you and your pet. Be it ticks, fleas, GI worms or heartworm, we have in-house screening options to check on the current health of your pet or livestock herd as well as an assortment of options to treat and protect them for the upcoming summer season. **For the entire month of May**, fecal analyses, heartworm tests, and all dewormers and parasite prevention/control products are **20% off!**

Lambing, kidding or calving this spring? If you are interested in a herd health check, give us a call! Our farm calls start at only \$35.

And finally, a **"Happy SPRING!"** to all of our neighbors. We hope you are enjoying this beautiful place we call "Home" as much as we are!

Preserve @ Home

Do you want to learn how to safely can, dry or freeze your garden's bounty? University of Idaho Extension invites you to enroll in Preserve@Home, an in-depth, online food preservation class to teach individuals how to safely preserve a variety of foods. Participants learn how to produce high-quality, preserved foods and the science behind food preservation and food safety.

The registration deadline is Monday, **June 7, 2021**. The first lesson of the 6-week course opens online on **Thursday, June 10 at 1 pm MT**. Each lesson includes online text (that can be downloaded and printed), online bulletin board to facilitate participant discussion, and a real-time weekly chat to interact with classmates and instructors. The weekly online chat session for the first lesson will be on **Thursday, June 17** from 1:00 to 1:45 p.m. MT. Topics to be covered include: Food borne illness – causes and prevention, Spoilage and Canning Basics, Canning High Acid foods, Canning Specialty High Acid Foods – pickles, salsa, jams, jellies, etc., Canning Low Acid Foods, and Freezing and Drying. Supplemental materials will include materials on planting varieties for food preservation, cold storage and root cellaring.

The cost is \$35 plus the cost of supplemental materials. Many of the supplemental materials are available free, online. For more information, contact Laura Sant at 208-852-1097 or lsant@uidaho.edu.

NEWS FROM THE GAMEBIRD FOUNDATION

Hey everyone! Keep your eyes peeled around the east side of Onaway. We are receiving news that the small flock of Red-Legged Partridges that The Gamebird Foundation (TGBF) released close to Potlatch, Idaho, have seemed to have settled in the area in some really great habitat. It looks like the males are starting to do their courting. We started crowing for pheasants this week. All the birds wintered well this past year. What we are hearing this year is the best we have heard going back to crowing since back in the 1980's.

This week we started seeing the hens with the roosters and it is so great to hear folks say, "Gosh, we are starting to see pheasants again". With the help of our members raising pheasants and you folks helping to support them by helping buy feed for the chicks and lumber to build the brooders, we have lots of pheasants out there to enjoy! The Heritage Pig Raffle was a huge success, the winner is John Gaither, from Grangeville. Folks cannot believe the difference in the color of the meat and far less lard. By the time you read this, we will have had our Raising Pheasants Education Day where we shared information to those who want to raise baby pheasants in our region. Thanks to Chris & Jess Ford, Joel Warner and Tammi Johnson for helping put this on. Also, thanks to Dale Rose and his volunteers for building our new style brooder to show and thank you Potlatch St. Maries Plywood for donating plywood for the brooders. We have so many folks to thank for donations and volunteerism; it would take a whole page of the CIA Newsletter to thank everyone. Just know we appreciate everyone who has helped in any way. If you are interested in donating to help us provide feed for the birds, you can go to our website, and donate to thegamebirdfoundation.org or just give me a call at 208-883-3423 or email jhagedorn611@gmail.com. Every donation helps. Watch for the news coming out about our new cups and coasters done for us by our own local artist, Andy Sewell. If you want the news that happens every week, and/or how to raise baby pheasant chicks just give us a call. Chris Ford at 208-997-8361, or Jim Hagedorn at 208-883-3423, and we will get you in touch with the right folks and resources. Moreover, I might say, none of this great work would happen without the help of our Secretary/Treasurer Tammi Johnson. God Bless and stay safe.

"The Pheasant Guy"

Potlatch Boy Scout Troop and Venture Crew

Hi folks! We have been quiet, but still active. If you are interested in our Troop, contact info is below. We have moved our meeting day to Tuesday evenings, 7:00 p.m., still at the "the old VFW Hall" (735 Pine Street).

The past months have included a few service activities: handing out drinks to runners at the Snake River Half Marathon back in March and helping the Lions Club behind the scenes the first weekend in April. Mostly, we have continued on with Merit Badge work and Advancement with the younger boys. We've also been working with the older boys moving toward Eagle Scout Rank. Look for two more Eagle Scout projects coming this summer!

Venture Crew has been fairly quiet, but hoping to gear back up as summer approaches. Venture Crew is for boys AND girls (co-ed) ages 14-20 interested in outdoor activities, leadership development, and more.

For more info our Troop & Crew, call Jim at 208-596-6237, Casey at 208-596-8561 and/or visit: <https://www.facebook.com/PotlatchScouts358>

Save the Date !

Little Logger Leaders-April 2021

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for April is **John Carnahan**. He is eager to participate in class discussions and to read out loud. He always wants to make sure he fully understands each concept before moving on. To do this, he asks clarifying questions, gives examples, and works hard to always do his best. John is also very helpful and helps his classmates when they have questions. Keep up the good work, John!

Mr. Christianson's Sixth Grade: April LLL is **Micheal Lawrence**. Mikey was chosen to represent our classroom as our Little Logger Leader because of his work attitude and ethic. Mikey comes into the classroom every day ready to learn. You can easily tell that he cares about his work because of his attentiveness to his work, asking insightful questions, and he isn't afraid to ask for assistance when needed or clarification on expectations. Mikey isn't afraid to hold his classmates accountable to the expectations either, giving them friendly reminders to stay focused and be paying attention. Keep up the great work, Mikey!

Mrs. Pfaff's Third Grade: **Samual Lusco** is our Little Logger Leader for April. Sam has been working hard all year to improve his academic skills and watching his success has been inspirational! Sam set goals for himself and when he becomes frustrated, I simply remind him what he is working toward, and he takes control of his emotions and gets to work. He keeps a positive attitude through adversity and remains kind to others and a good friend and student. Keep up the awesome work, Sam!

Mr. Gossack's Sixth Grade: **Aubree Sinnott** is our LLL for April. Aubree is a joy to have in my classroom. This year I have seen Aubree challenge herself to become better and work harder at her academics. Whenever I need a student to thoroughly explain the process for solving a mathematical problem, I can count on Aubree to give me a solution that includes the reasoning for how and why it works. Aubree's depth of mathematical understanding and confidence has grown immensely this year! Aubree, keep loving math!

Mrs. Weaver's Fifth Grade: **Greyson Armknecht** is our Little Logger Leader for April. Greyson is a studious, hard worker that shares creative solutions in problem solving. His quiet, clever sense of humor adds a positive element that is so important to our class environment. We appreciate you, Greyson!

Mrs. Wilson's Fourth Grade: Our Little Logger Leader is **Brynlee Breeze**! I appreciate the sunny disposition, kind heart, and contagious spirit of fun Brynlee brings with her each and every day. She is an amazing friend, fun to be with, and exemplifies a role model others can look up to. She works hard, presents her best work, and is always willing to help others understand challenging tasks and assignments. It has been such a joy to have her in my class this year. I know you have a very bright future ahead of you, Brynlee!

Ms. Montgomery's Second Grade: **Lucy Merten-Daily** is our April Little Logger Leader. Lucy demonstrates perseverance and determination when working on her lessons. Right before recess she often says, "I just need to finish this last sentence." Writing is her favorite subject and she uses a wide variety of vocabulary words and descriptive details in her work. Keep up the good work, Lucy.

Ms. Greer's Second Grade: Our Little Logger Leader for the month of April is **Trevin Candler**! Trevin has been an outstanding leader in our classroom in many ways. Trevin has shown that no matter who they are, he will accept and be friends with anyone and everyone. He is always making sure that every kid has a friend on the playground, and if they are alone, he will always invite them to play with him. Trevin has also shown he is a role model by being respectful to his classmates in class, always listening to them when they are reading to him, and making sure our class is a safe, fun place to be. Keep up the good work Trevin!

Ms. Ridgeway's Fourth Grade: Our Little Logger Leader for April is **Michael Scalzo**. Michael started with us in January and hasn't missed a beat. He has made so many friends, and is so kind to everyone around him. Michael is always helping others, and shows responsibility and leadership in the classroom and on the playground. He works hard at his school work, and has become an avid reader in the classroom. We are so excited to have Michael in our class this year!

Mrs. Burkgart's Third Grade: April's Little Logger Leader, I have picked **Maryele Remington**. Maryele just recently joined our classroom but it's like she has been here all year. She is an extremely hard worker who holds herself to very high standards. She has a huge heart and it shows in how she interacts with her classmates and other students in the school. She has been an amazing addition to our classroom family!

Mrs. Gussenhoven's First Grade: **Lillian DeMoss** is the Little Logger Leader for April. She is a hard worker in class and perseveres through any assignment she finds difficult. I am thankful for Lillian's willingness to keep trying until she fully understands the task at hand. She has such a bright, sunny attitude about school and offers many compliments to her classmates throughout the day. I am so proud of you! Keep up the hard work!

Mrs. McKinney's First Grade: Our Little Logger Leader for April is **Brooklyn Runyon**! Brooklyn is a very hard worker! She takes pride in her work and always wants to do the best that she can. I am so proud of all she has accomplished this year. Brooklyn has a wonderful personality and is always ready with a kind and encouraging word. Thank you, Brooklyn, for all your hard work and for being you!

Mrs. Short's Kindergartens: **Emmitt Hennigar** is our **Busy Bee** Little Logger Leader for April! There has not been a single day of school this year that Emmitt has not made his teachers and classmates smile or laugh. He has a great sense of humor and an infectious laugh. Emmitt has worked hard and grown so much this year in kindergarten! He cares about doing the right thing and takes his time to do his very best. I am so proud of him and am excited to see how much further he will grow by the end of this year!

Rhylynn Andres is our **Eager Beaver** Little Logger Leader for April! Rhylynn has come to school with a great attitude every day this year. She has impressed me with her 'keep trying' attitude and her willingness to give new learning a try. Rhylynn does not hesitate to ask for help and she doesn't give up, even when something is difficult for her. Because of this, Rhylynn has come so far this year in her learning, and I know she will continue to learn and succeed!

OUR SCHOOLS: April/May 2021

How the "landscape" has changed from a year ago to today for our school district. Last year at this time, the onset of the COVID-19 pandemic was in full swing. As a school district, we were shut down and providing virtual, remote, on-line learning to all of our students, Spring activities and sports were all shut down, and we were left wondering what our Senior Graduation was going to look like in May. Skip ahead to the present, one year later, and we are back to some semblance of normalcy. All students have returned to school full-time, five days-a-week, Spring events and sports are back in full swing, and Graduation plans are a little less scary knowing that we can once again utilize the Junior-Senior High Gym for the ceremony.

Speaking of Graduation, this year's Graduation will return to the Gym on Saturday, June 5th. Due to current State of Idaho COVID protocol plans for Indoor Seating, we will be limiting the number of folks in attendance in the Gym to be at 400. Tickets will be provided to our Seniors, who will then distribute the tickets to their family and friends. Community members or patrons who come to the event without a ticket will not have the opportunity to attend. However, because of last year's Senior car/truck parade turning out to be such a big success, we will put the parade on again this year (weather-permitting). This is a great opportunity for the community to come out and congratulate our graduating Seniors and show them our love and appreciation for their accomplishments! The parade will begin at 9:00 a.m. and will start out at Ponderosa Drive and make its way down Highway 6 back up to the Junior-Senior High School. Our Seniors will then park, go into the school, and get ready for Graduation. Graduation will begin at 10:00 a.m. For further information and updates, go to our Website and/or Facebook page.

Also of importance is that the search for a new principal for Potlatch Elementary School has concluded this past month. Pending approval by the Board of Trustees, Ms. Jill Diamond has been recommended to be the next principal at Potlatch Elementary School. Jill brings outstanding skills and leadership qualities to the position. She's innovative, has a wealth of experience and knowledge in Education, is an excellent communicator, and is committed and motivated to bring continued success and growth to the students and staff of the Elementary and our District in general. If all goes according to plan, Jill will begin her duties on August 11th. Welcome aboard, Jill!

As for the Superintendent Search, the Board of Trustees, in collaboration with the Idaho School Boards Association (ISBA) is moving along with the process. The Board will be having special meetings upcoming in the next few weeks that will be open to the public to attend and listen to on the process of selecting a new superintendent for the district. Please go to the Website @ www.psd285.org for further information.

Classes for Fit & Fall Proof will start in the near future. Stay tuned.

BINGO MONDAYS ARE BACK-MAY 3

Greetings Harvard Friends and

Neighbors of Precinct 22

We will have a meeting to discuss restoring our Harvard Hall voting location. It's time for clarification, transparency, and having genuine community input regarding this important issue. Sunday, May 23, 2021, 3:00 p.m. at the Harvard Hall.

Please bring any communications with our election officials that you would like to share. See you Sunday, May 23, at 3:00 p.m.

Upcoming Election Tuesday, May 18, 2021

I, Tim McKinney, am a candidate running for the North Latah Highway District Road Commissioner position. I would like to be an active participant in the maintenance and upkeep of all of our local county roads in the Potlatch, Princeton, and Harvard areas.

I have lived in this area all of my life (54 years) and feel I could contribute to the position with my background and knowledge of truck and heavy equipment. Having my own business and being a property owner, I will have your best interest to be financially responsible with your tax dollars.

The election for the position of North Latah Highway District Road Commissioner will be held on Tuesday, May 18, 2021 at these voting locations from 8 a.m. to 8 p.m. Palouse, Potlatch and Cora (Precinct 26, 27, and 31) will vote at Scenic Six Park Building in Potlatch; Harvard and Princeton (Precinct 22 and 28) will vote at Palouse River Community Center in Princeton; Onaway (Precinct 37) is Designated Mail Ballot Precinct. Please Note, your voting location may have changed.

Absentee ballot requests can be found at Idaho-Votes.gov and must be received by the elections department no later than 5:00 p.m. on May 7, 2021 for a mail-in ballot. In-person Early Voting will be available at the Latah County Courthouse starting May 3, 2021 and ending on May 14, 2021 between 8:00 a.m. and 5:00 p.m. in the Latah County Auditor's Office.

Feel free to call me with any questions.

Tim McKinney 208-875-0444 or cell 208-301-4216
