POTLATCH SHOPPING MALL HAS SPACE

The Potlatch Shopping Mall has two units available for your business needs! If interested, please contact Emily Ernst with questions at 360-685-3552.

Suite 1. The former Mason Lodge has ample square footage for your business operations with over 3,000 sq. ft. The unit has a foyer, large hall, separate bathroom facilities, a kitchen and dining room. It might be a great space to host events!

Suite 7. Just Diane's old shop, is a small yet flexible space. It is near the post office foot traffic and provides for needed business space without the high rent.

Potlatch Food Pantry

Potlatch Food Pantry is open February 11 and 25 from 10:00 a.m. to noon and 6:00-8:00 p.m. The Idaho Food Bank truck comes February 25 to Grace Community Church.

We want to thank all in these communities that have given us money and food donations. What a blessing!

We can be reached at P.O. Box 453, Potlatch, ID 83855. Call 208-875-8953 or city hall in a food emergency.

As Idahoans feel the many impacts of COVID-19, the need increases for behavioral health support and services. The COVID Help Now Line offers statewide support for anyone challenged by the stress associated with this global pandemic.

The COVID Help Now Line is:

- Staffed from 8am to 8pm Mountain Time, 7 days a week.
- Available via phone, text, or chat. Callers may also leave a message during off hours and receive a return call the following day.
- Anonymous. Responders do not classify, label, or diagnose people, and no records or case files are kept.
- Accessible to hearing impaired via TTY and TRS services.

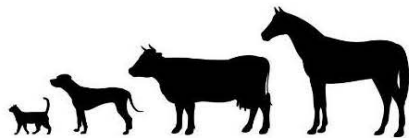

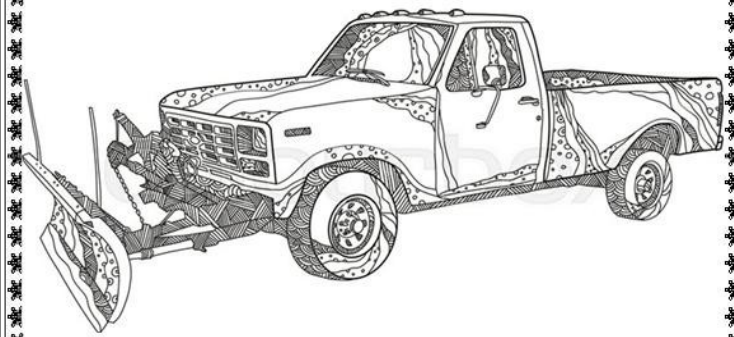

COVID Help Now Can:

- Help you understand your current situation.
- Help reduce your stress and provide emotional support.
- Help you with your immediate crisis needs and connect you with community resources.
- Help you identify coping strategies.
- Provide language assistance and interpreter services.

VETERINARY CLINIC

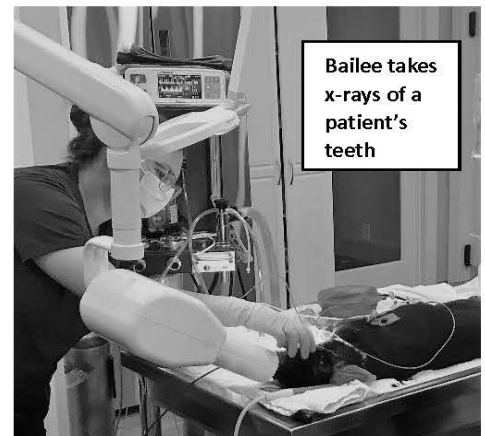

February is National Pet Dental Health Month!

Did you know that your pet's buildup of yellow tartar on their teeth, bad breath, and red and swollen gums are actually signs of early dental disease? When there is a buildup of tartar on the teeth and below the gumline it can lead to chronic pain, inflammation and infection. Dental disease does not just affect your pet's mouth,

however. When bacteria are able to absorb into the bloodstream, internal organs (such as the heart, liver and/or kidney) are affected and can lead to serious health risks.

Here at Potlatch Veterinary Clinic, we are making it easier for you to give your pet a healthy mouth and body by offering 20% off all Dental Cleaning procedures for the month of February. Your pet will receive a full examination before the procedure. Under anesthesia, all of the teeth will be scaled and polished with a technician monitoring at all times. In addition, we include with every dental cleaning a full series of radiographs of your pet's mouth for a complete evaluation of the teeth, including the root.

To schedule a visit with one of our doctors to examine the health of your pet's teeth, give us a call at 208-875-4838.

Gritman Medical Center's clinics in Moscow, Potlatch, Kendrick and Troy are now scheduling in-person and telemedicine visits.

Telemedicine allows you to visit with your provider conveniently through your mobile device, tablet or computer. It also helps us continue to provide exceptional care while you follow stay-at-home orders and social distancing guidelines to stay safe during the COVID-19 emergency.

Please call to schedule a telemedicine or in-person visit:

The Potlatch Lions Club is looking for help from the community in planning, organizing, and executing a fun and exciting Potlatch Days 2021.

Let's make the 2021 event a great celebration for our community!

We want your ideas, suggestions, and comments. Please come to our February 17 meeting at 7:00 p.m. at the former VFW Hall, 735 Pine Street.

Your ideas, suggestions, and comments don't have to be limited to Potlatch Days. We want to hear about other projects you would like to see from the Potlatch Lions Club.

See our Lion's Den article in this newsletter for more information.

Potlatch Lions Need Your Help!

Little Logger Leaders January 2021

Mrs. Weaver's Fifth Grade: Our Little Logger Leader for January is **Michael Clark**. Michael is a quiet leader in class by demonstrating kindness and helpfulness to those around him. He is also studious and thoughtful in his work. We are so appreciative of the positive role he plays in our 5th grade class!

Mrs. Pfaff's Third Grade: Kevin Carlson is a hard-working student who I can trust to always complete all of his at home assignments. He comes to class with a positive attitude toward learning and is respectful to everyone at school. Kevin has a great sense of humor and a vivid imagination that his class enjoys when he shares with them. I appreciate how Kevin knows what he wants and is willing to chart a course to get it.

Mrs. Wilson's Fourth Grade: Our Little Logger Leader is **Kaney Hansen**. Kaney is a 'take-charge' kind of girl. When she sees something that needs to be done, she does it! I can always count on her to get going on an activity or assignment right away, help others when needed, and be ready for the next thing coming up with enthusiasm and optimism! She likes to be in charge and does a great job when she is. I can see her aspiring to be a teacher someday and I look forward to watching that happen! Keep up the great work, Kaney!

Mrs. Gussenhoven's First Grade: Kimber Bates is the Little Logger Leader for the month of January. She participates well in class discussions and is very responsible with completing tasks on time. Kimber does not hesitate to ask questions for clarification if she is confused. This year she has worked very hard on reading and has come a long way. I am so proud of you and keep up the good work!

Ms. Montgomery's Second Grade: Brooklyn Keck is our January Little Logger Leader. Brooklyn comes to school daily with something interesting to share and/or makes suggestions of what she thinks we should do that day. Brooklyn has a kind heart and is a considerate friend to others. She works hard on her school work and has put forth more effort this past quarter. I'm very proud of you, Brooklyn.

Ms. Ridgeway's Fourth Grade: Our January Little Logger Leader is **Wheeler Holbrook**. He has shown tremendous responsibility in his learning this year. He puts effort into everything he does and loves to face a challenge. He works hard in school and consistently proves that he has a strong work ethic. In addition to being an excellent student, Wheeler is also a great friend and classmate. He is always making sure everyone is included and shows kindness to everyone. We are very proud of Wheeler and are very happy to have him in our fourth-grade class.

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for January is **Gage Minden**. Gage is eager to learn. He participates in class discussions by asking good questions and being ready to answer questions, and he is always ready to read out loud. He shows up each day with a positive attitude and a smile. Thanks, Gage!

Mr. Christianson's Sixth Grade: Our January LLL is **Olivia Smith**. With the new structure of our school year, Olivia has acclimated to the new protocols and is making her 6th grade experience one to remember. What makes her our Little Logger Leader is her positive attitude and her work ethic. You can always count on her to spread kindness and brighten up your day. She is a very diligent worker and it shows. She keeps track of all of her assignments, utilizes her time in-class, and always puts forth her best effort. Keep up the great work, Olivia!

Mrs. McKinney's First Grade: Our Little Logger Leader for this month is **Ryker Reynolds**! Ryker is a hard worker and an absolute joy to have in my classroom. He has a great imagination and I very much enjoy his comments on topics we discuss in class. Ryker has been working very hard this year and I am proud of all he has accomplished. Thank you for being you, Ryker!

Mr. Gossack's Sixth Grade: Reese Lusby is our LLL for January. This year Reese has taken responsibility for her own learning! She has taken initiative to set goals, ask me questions, meet with me, and follow through on the goals that she has set. This level of initiative and responsibility towards academics, by a sixth grader, is unparalleled. Reese, I am proud of you! Keep it up!

Mrs. Burkgart's Third Grade: For January LLL I picked **Fritz Boni**. Fritz is an extremely hard worker who has made huge gains this year. I have seen him grow in every aspect of school. He pushes himself as well as his classmates. He always has a joke to share and makes sure the classroom is always laughing and smiling. Fritz doesn't give up when something isn't easy, he perseveres through it, and gives everything the best work that he can. Having him part of our classroom family has been amazing this year.

Ms. Greer's Second Grade: Our January Little Logger Leader is **Michaela McCarver**! Michaela has shown exceptional leadership in our classroom in more ways than one. She has shown that you can persevere in any situation into a positive one by having the right mindset. If other students are not excited about something, she always tries to show them the positive aspects. Also, if something is giving her a hard time, instead of giving up, she reaches out to her peers for help. I am very proud of you Michaela!

Mrs. Short's Kindergarten: Presley Boller is our **Eager Beaver** Little Logger Leader for January. Presley acts as a leader in the classroom in many ways, especially in her positive attitude, willingness to try hard things, and her interest in learning. She works hard at every task, takes her time, asks questions, and makes sure to do her best. Presley always knows what she is supposed to be doing and is happy to help her classmates at any opportunity. Thanks for being such a positive member of our classroom, Presley!

Jackson Scholfield is our January Little Logger Leader for the **Busy Bee** class. Jack sets such a great example for his classmates in his respectful and kind attitude, hard work, and attention to detail. Jack often has thoughtful ideas to share and is very interested in learning. His kind nature, unique ideas, and creative work brighten up our classroom. Thanks for sharing, Jack!

Gamebird Foundation February 2021 News:

2020 was a busy year for the Gamebird Foundation, since I took over the supplies for the birds, feed, picking up birds, and distributing all of the above. I foresee 2021 to be just as busy, if not more so, since our goal is to raise more birds. I love doing all of this since I had a poultry business in Kodiak, AK, before I moved to Idaho and have raised birds for the last 16 years. I love sharing what I have learned in raising domesticated and wild birds. I also love hearing the success stories of raising pheasants and Red-Legs from the other Foundation members and have shared what works with others.

You, too, can raise pheasants for release in our Region by becoming a Member or renewing your Membership with the Gamebird Foundation. It is just \$25 for a 1-year membership for a family. Go online to our website and join/renew now: www.thegamebirdfoundation.org/.

Pheasants will be available to be raised from May 1st to June 30th. These dates may vary depending on how the hatching goes. I will keep everyone informed. There will be approximately 800-1200 birds available for distribution each week. You will need to contact me ASAP to let me know which week you want to receive Pheasant chicks and how many you would like to raise at one time. Please send me an email with all of your contact information, the number of chicks to raise, and your 1st, 2nd and 3rd choice weeks to receive them. I will accommodate your requested dates and amounts the best I can. Red-Legged Partridge dates will be determined once the eggs go in the incubator. It will most likely be after the last hatch date for the pheasants.

Please contact me with your questions about raising Pheasants, to pick up brooders, soft release/flight pens, and any other supplies needed to raise the pheasants. If I don't answer the phone, please leave a message or send me an email and I will get back to you as soon as I can. I look forward to another productive year of raising Pheasants and Red-Legged Partridges with the Game Bird Foundation.

Thank you,

Chris Ford
The Gamebird Foundation Bird and Supplies Coordinator

OUR SCHOOLS: JANUARY/FEBRUARY 2021

We are off and running into the new year and working hard to get our students back to school into a more traditional model of four or five days a week and in school altogether with their peers. Our re-entry plan was developed by our Board of Trustees, our Administration, and our teaching staff, and is based on current trends in our region, both county and local, on COVID-related cases and a level system for operating conditions for our schools to be in for us to return to school on a more full-time basis. For the most part, these conditions and guidelines were developed by the North Central Health District & the CDC. As a school district, we “tweaked” them to fit our needs. For a more in-depth look at our re-entry plan, please go to our website for complete details. Our website is at www.psd285.org

With the return to a more traditional model of delivery, the district will be losing one of the strengths that came from our “Hybrid” model of delivery, that being the ability to social distance properly. In losing this opportunity, the school district will be requiring students and staff to wear masks and/or face shields inside of our buildings. This will not be an option or a recommendation, this will be a **requirement**. Also, with the introduction and rollout of the COVID-19 vaccine within our state and nation, our staff have the opportunity to receive further protection, if they so choose, by receiving vaccination shots. Currently, we have nearly 60% of our staff interested in being vaccinated. Once the vaccination process has been completed and local/county COVID-19 levels are meeting re-entry plan requirements, school will move from the “Hybrid, A-B” delivery model to an “All-day, Every day” model. We are cautious and making sure that we do everything possible to keep students and staff safe and healthy. At the same time, we are extremely excited to take this step forward to provide the opportunity for students to receive a more complete education, to be able to socialize and play with their peers, and most importantly, be full-time students again.

If you are interested in seeing more information on the CDC/North Central Health District’s guidelines, resources, and current regional information, please go to the following link: <https://idahopublichealth.com/district-2/novel-coronavirus>

The Board of Trustees and Administration set our Supplemental Levy amount for the upcoming school year of 2021-2022. For the past three (3) years we have stayed steady at \$1,750,000, no increases over that time. I am pleased to say that this year we will be able to **lower** the levy amount, from \$1,750,000 to \$1,650,000. This is a significant decrease and will allow some tax relief to our taxpayers at a time where every little bit of financial savings can help. **The Levy vote will take place on Tuesday, March 9th.** I will provide more information and details on our Supplemental Levy in next month’s CIA, as well as on our District’s website so stay tuned.

As always, thank you for your support!

Potlatch Lion’s Den

The Potlatch Lions Club needs your help!

You may have noticed our half-page ad in this newsletter stating that we are in the process of beginning to plan for the 2021 Potlatch Community Days Celebration July 16-18. This is where we need your help... **we want to make this Potlatch Days bigger and better!**

COVID-19 put a damper on our plans for 2020 and forced us to cancel Potlatch Days last year. We want to make up for that this year.

We want your input! We want your ideas! We want your help making things happen! We cannot do this without the help and support of our community!

We are inviting people in the Potlatch area to join us at our Club meeting on **Wednesday, February 17, 2021, at 7:00 p.m. at 735 Pine St (the former VFW Hall)**. Refreshments will be served.

You don’t have to limit your ideas and suggestions to Potlatch Days either. **We would like to hear about other projects in the community that you would like to see the Potlatch Lions Club support.**

Please know that coming to this meeting does not commit you to joining the Lions Club. While we are always on the lookout for people to join us, this meeting is a chance for us to hear back from the community about what you’d like to see and places that you’d like to help us make Potlatch Days even better.

We hope to see you on February 17th!

Potlatch Senior Citizens Center Meal Site

Meals are served at 12:00 noon every Monday, Wednesday (except the first Wednesday of the month), and Friday at the Senior Citizens Center (formerly the Rebekah Hall), 645 Pine Street, Potlatch, for senior citizens as well as non-seniors. The suggested donation is \$4.00 for seniors with adjusted pricing for non-seniors. Menus listed below or call 208-875-1071 on meal days to find out what is being served.

Meals are available for take out with pickup and delivery only, no inside dining. Call by 10:00 a.m. on meal day to request your meal.

F.M.B.E.

F.M.B.E 4-H Club is proud to serve its community! Fall highway cleanup was a big success. In November, 28 participants gathered 24 bags of trash at the entrances to Potlatch. In December, we filled numerous wishes for the Sharing Tree and were greeted by Sharing Tree founder, Janie Nirk, as we shopped.

Congratulations to the following new officers of F.M.B.E. 4-H Club: President: Levi Lusby; Vice Pres: Kassi Schultz; Secretary: Sam Barnes; Treasurer: Jaxon Vowels; Reporter: Elena Vowels; Sgt. at Arms: Sophie Lusby.

Congratulations to all club award recipients, including Members of the Year: Makayla Smith, Jessica Biltonen, and Sydney Minden. Thank you for your commitment to 4-H!

We welcome new members and now is the time to sign up! <https://v2.4honline.com/#/user/sign-in>

HAPPY PRESIDENT'S DAY

Hello Good Friends of Wildlife: RAFFLE

The Gamebird Foundation is holding a raffle for a heritage porker that will be cut and wrapped to the winner's specifications. The pig will weigh approximately 120 lbs. cut and wrapped. The porker and cutting and wrapping have been donated to The Gamebird Foundation. All the proceeds from this raffle will go for the purchase of chick feed for the baby Pheasants and Red-Legged Partridges that we will be raising this spring for release into wild habitat at about 10-12 weeks of age. These heritage pigs are the best pork you can buy, pasture raised and all natural.

You can order tickets one of two ways: Go to our website at: www.thegamebirdfoundation.org/ and click on the Donate or Join as a Member Tab at the top of the page. Enter your information as a Donation and say "For Pig Raffle" in the Comments. We will send your ticket stubs to you based on your amount of donation and place your ticket in the basket. There are a limited amount of tickets available.

Or, you may contact any of The Gamebird Foundation Board Members or Executive Team or send us an email at thegamebirdfoundation@gmail.com.
